1U3JIC - STEPHENSON MAREN

Talent leadership: a proven method for identifying and ...

Packed with research findings, best practices, case studies, proprietary assessments, and more, Talent Leadership teaches readers how to employ assessments to benchmark current and future executive talent, how to use the resulting data to identify leaders with potential, and how to leverage analysis to target training and coaching where they

will have the greatest impact. Most companies have no real way to gauge whether their endeavors are paying off-- much less where they are falling short.
