This book is connected to the TV show Buffy the Vampire Slayer. Its tales feature the slayers before Buffy became the vampire slayer. There is 7 stories in the volume, most of which are only okay and not memorable. Pretty much all of the stories were about the last days and battle of the former slayers. There were 2 stories I enjoyed.

Tales of the Slayer Vol. 1 (and I can't wait for further volumes in this series) is an entertaining collection of horror stories. Accent on the word _horror_. While Buffy as a television show has a mix of laughs as well as scares, humor is not the theme of this book.
