Ted Finley is an accidental superhero, bestowed with Alien powers and charged with saving the world. But as another reviewer has suggested, this is where the Ted Saves The World series departs from the superhero trope. Armed with Erica, his "protector," and a bevy of excellent secondary characters, there's action, comedy and twists galore.

What would you do if your job was to save the planet? When Christiana Figueres was tapped by the UN to lead the Paris climate conference (COP 21) in December 2015, she reacted the way many people would: she thought it would be impossible to bring the leaders of 195 countries into agreement on how to slow climate change.

Ted Saves the World Quotes Showing 1-10 of 10 “You know, if I have to get up at five in the morning to save the world, it might not be worth it,” — Bryan Cohen, Ted Saves the World

Ted Saves the World Quotes by Bryan Cohen - Goodreads

What's a marine biologist doing talking about world hunger? Well, says Jackie Savitz, fixing the world's oceans might just help to feed the planet's billion hungriest people. In an eye-opening talk, Savitz tells us what's really going on in our global fisheries right now — it's not good — and offers smart suggestions of how we can help them heal, while making more food for all.
