The "One Page Marketing Plan" Setting forth an effective and simple marketing plan requires breaking down your marketing efforts into individual components of three main parts: preparation, going live, and aftersales. This will enable mapping out your marketing into actionable bits to be carried out, and set your marketing plan into motion.

The One Page Marketing Plan takes the core components of an effective marketing plan and condenses them onto a single page. This is intentional as it forces you to focus on what matters; what are the essential elements that will make a difference and move the needle. It focuses, clarifies, and simplifies your marketing planning and actions.

In The 1-Page Marketing Plan, serial entrepreneur and rebellious marketer Allan Dib reveals a marketing implementation breakthrough that makes creating a marketing plan simple and fast. It's literally a single page, divided up into nine squares.
