This chapter also includes a a more comprehensive explanation of the 4R Protocol, which walks you through removing harmful foods, repairing the gut, re-inoculating with beneficial bacterial, and reintroducing foods that were previously eliminated. • "Living the Paleo Lifestyle" offers tips and suggestions for navigating holidays and parties, talking to friends and family about Paleo, getting your kids involved in the kitchen, and much more. 3 NEW 30-DAY MEAL PLANS • The new meal plans provide guidance for addressing common health concerns: Adrenal Health (stress management), Healthy Hormones (for both women and men), and Liver Detox Support. • There's also a new detailed guide to finding the meal plan that's right for you, so you can get the health benefits you need with the fewest restrictions. 40+

And the organization has been extensively revised to make the valuable information on food and how it affects the body more user-friendly—and easier to apply to your own health needs.
