The Assassin's Creed series is renowned for its skillful blend of historical fiction, epic environments, and exciting action. This art book offers an insider's look at the immersive art direction of Assassin's Creed Valhalla, the first title in the franchise to explore Norse culture and the Viking invasion of England in the 9th century. Featuring iconic artworks ranging from stunning settings to brutal weapons, as well as developer insights.

Our story takes place a thousand years after a global cataclysm. Earth has been remade into a lush, thriving ecosystem, but with a new dominant species: the machines. These massive, animal-like

robots fill the lands, oceans, and skies, serving as the guardians and enforcers of the revived natural order. New generations of humans formed into pre-industrial tribes, without knowledge of the doomed civilization that preceded them, that of the "Old Ones" - us. Little did they know that threats from the ancient world persisted, the greatest of which was HADES, a mysterious A.I. bent on wiping out all organic life. Bolstered by an army of misguided zealots and corrupted machines, it launched a massive assault on humanity's largest tribe. After a desperate battle, HADES was defeated by Aloy, the greatest machine hunter of her age, and a coalition of faithful allies at the city of Meridian. Now Talanah,

one of Aloy's closest confidantes and the newly appointed Sunhawk of the Hunters Lodge, seeks a moment of respite after the epic struggle.

cent addition, Doom 3 (2012).

A thousand years after a global cataclysm, Earth has been remade into a lush, thriving ecosystem, but with a new dominant species: the machines. These massive, animal-like robots fill the land, oceans, and skies, serving as the guardians and enforcers of the revived natural order. New generations of humans live on in pre-industrial tribes, without knowledge of the doomed civilization that preceded them, that of the "Old Ones" - us. A hero known to all tribes, Aloy has defended them against deadly machines, infamous cults, vengeful insurgents and dangers from the ancient past. She achieved her greatest triumph defeating the rogue A.I. HADES, who sought to end all life on Earth. With Hades vanquished Aloy disappeared, her purpose and destination shrouded in mystery. Talanah was born to a family of noble hunters in Meridian, capital to the most powerful of Horizon's tribes: the Carja. With Aloy's help, Talanah was able to earn the title of Sunhawk, much to the chagrin of elitist Lodge members. In return she helped Aloy defeat HADES' forces at Meridian. With her family's le-

gacy restored, Talanah reformed the Lodge, opening its ranks to all tribes. Despite achieving her life's goal, however, restlessness began to gnaw at her heart. Dealing with Meridian's bureaucrats and the troublesome remnants of the old Hunters Lodge elites failed to give her comfort, so she set out into the wilds, hoping to quell her restlessness with a contract to hunt a fearsome new machine - a Clawstrider. But the hunt proved more than she'd bargained for. Now, after recovering from an injury thanks to the aid of a mysterious hunter named Amadis, Talanah must end the threat of this hunter-killer machine. But that's not her only problem. Kyran, a rogue Lodge member whom she denied the contract to, seeks its reward, unaware of the hunter-killer's presence. Talanah is one of the few who understands the extent of the danger posed by this new strain of machine, thanks to a run-in with a good friend...

Focusing on the beautiful artwork of Guerrilla Games' Horizon Zero Dawn this is an in-depth insight into a world as dangerous as it is beautiful. The Art of Horizon Zero Dawn is the ultimate gallery of the hotly anticipated new IP from Guerrilla Games (Killzone series).

It focuses on the stunning artwork used to develop the game, and includes over 300 images, sketches, and concept art, commentary throughout from the artists and creators. This is an in-depth insight into a world as beautiful as it is dangerous. Over 1000 years ago a cataclysm destroyed life as we know it, forcing humans to the brink of extinction. In our place machines rose, and nature took back our cities, until all that was left of our world was the rumours of the old ones and the ruins of a civilisation long past. The tribes of the new world live scattered, some small and humble, some as powerful as kings. If Aloy, an outcast and hunter, is to find her true place in this world she must combat the great robotic creatures of the land and uncover the mysteries of a lost civilisation. With the help of a mysterious recluse named Amadis, Talanah has set out to end the threat of the new strain of hunter-killer machine - a Clawstrider. As they tracked it, an old enemy got in the way. Kyran, a rogue Lodge member arrived without permission to seek its reward. The hunter-killer ambushed Kyran and his cronies atop a

cliff. When Talanah and Amadis managed to force the machine over the edge, Kyran ought to have been grateful. But now the greedy hunter has a new prize in mind.
