the command for the wither storm - Minecraft Story Mode ...

i need the command for the wither storm i know there is one because i might have a thery of what the command could be i think a absorb command or mapy a command of what a enderman can do "pick up blocks" if i have theries that mean there is a way to make a wither storm so don't say there is not because there is. i have a nother thery a thery to remove blocks and add it to its own.

This Minecraft Command adds in the Wither Storm from Story Mode. This giant Wither will take over your entire world destroying everything by spawning in Withers, Wither Skeletons, and dropping TNT.

This is my own verison of the Wither Storm theme. This feature is not available right now. Please try again later.
