Ideal for band directors of students at all levels, Strategies, Tips, and Activities for the Effective Band Director is the product of more than three decades of experience, presenting innovative approaches, as well as strategies that have been borrowed, revised, and adapted from scores of successful teachers and clinicians.

As part of the mission of The Donald Hunsberger Wind Library, the 1994 hardcover edition (University of Rochester Press) of The Wind Ensemble and Its Repertoire has now been published in a paperback edition. This compendium of research includes "must have" information on the history and execution of the wind ensemble repertoire.

Lisa Lehmsberg and Victor Fung present a groundbreaking look at quality of life via the music participation of older adults in diverse US senior centers. The state of musical activities in senior centers pre- and mid-pandemic is elucidated through original research conducted in senior centers across six states. Featured are older adults' stories told in their own words; insights from senior center activity leaders, management, and staff; and data, analyses, and syntheses from the authors' senior center visits and a survey of center managers. The authors document the adjustment process undergone by these centers during the pandemic and leading into a new normal. Recommendations are offered for policy makers, school and community music educators, music activity leaders, older adults, caregivers, and service providers to enhance the quality of life of older adults. The critical role that music plays in supporting their quality of life is emphasized.

It stands out because it: 1) explains how the people doing the hiring think, so that you can win them over on paper and then in your interview; 2) has an engaging, reader-friendly style; 3) explains every step of the job-hunting process - from little-known ways for finding openings to getting ahead on the job. This book covers everything. Whether you are trying to get your first Elementary school band directors job or move up in the system, get this book. With an emphasis on ensemble playing, a book and play-along CD cover such styles as pop, funk, Latin, and jazz and includes written charts for every track and listening suggestions.

It's tough to find your way in the no-man's-land between traditional religious dogma and New Age "woo-woo". Spiritual author and speaker Donald Lee masterfully reveals a common-sense and universal view of spirituality in his new book of modern-day parables. Do you feel adrift in a sea of conflict? Do you feel your life needs direction? Has your spiritual journey got you lost in the woods? "The Band Director's Lessons About Life" offers simple advice and relatable stories from your friendly, neighborhood band director. Using music as a metaphor for life, each little parable begins with a story from school and ends with a reflection on the spiritual meaning of the story. How to: • Find your path. • Be yourself. • Persevere through struggles. • Learn from failure, and • Love the process. Fifty stories and reflections to pick you up, dust you off, and set you on your way. Or take five minutes before bed to read a parable. You'll sleep with a positive, inspirational message in your mind. Donald Lee draws on decades as both a band director and a religion teacher to expertly craft band room vignettes that are both entertaining and illuminating. Whether you're a Sunday pew-warmer, a hermit monk, or a high-mileage astral traveler, you'll find something to love, cherish, and chuckle at in these fascinating stories. Pick up your copy today! "If you pick up this collection, consider that you found a treasure. I do. It both entertains me, and inspires me." Archbishop Gerard Petti-

pas, C.Ss.R. Archbishop of Grouard-McLennan "The stories made me laugh. The reflections made me think. These lessons are for everyone." Joanne Byfield, Journalist, Radio/TV Producer

The book is intended to help new and veteran band directors develop an orchestra in their school. It outlines step by step what needs to be done before the teacher meets students, preparing for the first rehearsal and first performance, developing syllabi, handbooks and lesson plans as well as maintaining and growing a viable string program. There is a chapter devoted to using technology in the orchestra classroom to keep students academically and creatively challenged.

In this little booklet, you'll find a simple yet relatively unknown process you can use to make definite and rapid spiritual progress. You'll find no theology, no dogma, no rules—just three simple steps to help you become the person you want to be—and God intended you to be. If you have attended workshops and retreats, read spiritual books, gone on pilgrimages, and sat for hours in prayer and meditation, yet still feel like you're spiritually spinning your wheels, this simple method might be the thing that finally gives you some traction. This method transcends religion. It doesn't matter which religion you follow or if you've no religion at all. 1. The first step is to set spiritual goals. We set goals in every other aspect of our lives. Why not with our spirit? But it's not quite the same. Setting spiritual goals is a little different. 2. The second step is connecting to the Divine within. This might seem strange to you. Maybe you thought "God" was something outside of you. But there are some simple and direct ways to connect to that "divine within," whatever name you choose to give it. 3. The third step is to practice. Just like learning to play a musical instrument—or learning any skill—you have to practice. This book gives you some guidance on how to do that. In the end, the Band Director can give you a musical instrument and some instruction, but the instrument is in your hands. It's up to you to become whatever you choose to be. But you might want to consider the bigger vision that God has for you. You are meant to be far more than you imagine! On your spiritual journey, you can choose to progress or regress, to move slowly or quickly, to pause and plateau or rush forward with wild abandon. Our destination is God. Why tarry? Why not choose the fast track of spiritual growth? This booklet is about how to change yourself for the better. You can be the person you desire to be. You can be a saint. In fact, that is your destiny. You are here for that. God has put the desire into your heart. He is calling to you. Forge ahead, timid pilgrim—the Promised Land awaits!

Sound Innovations: Ensemble Development is a valuable resource for helping your students grow in their understanding and abilities as ensemble musicians. It contains 412 exercises, including more than 70 chorales by some of today's most renowned concert band composers. An assortment of exercises is grouped by key and presented in a variety of intermediate difficulty levels. Where possible, several exercises in the same category are provided to allow variety, while still accomplishing the goals of that specific type of exercise. You will notice that many exercises and chorales are clearly marked with dynamics, articulations, style, and tempo for students to practice those aspects of performance. Other exercises are intentionally left flexible for the teacher to determine how best to use them in facilitating and addressing the needs and goals of their ensemble. Whether your students are progressing through exercises to better their technical facility, or challenging their musicianship with beautiful chorales, this book can be used after any band method or as a supplement to performance music. Contains chorales composed by Roland Barrett, Andrew Boysen, Ralph Ford, Rossano Galante, Robert Sheldon, Todd Stalter, Randall Standridge, and Michael Story.

The Band Director's Guide to Success is the ideal guide for preparing future band directors for the practical challenges and obstacles that they will face in the introductory years of their teaching careers. Written in an easy to understand, quick-reference guide format, this book is designed to be easily navigated as a series of case studies arranged by topic in concise, user-friendly chapters ranging from budgeting to classroom management to conflict resolution and beyond. This manual and career guide in one may be used as a supplemental text with suggestions and practical advice to spare new music teachers from many of the initial headaches and stress that often accompany the transition into the full-time teaching profession.

The Complete Marching Band Resource Manual is the definitive guide to the intricate art of directing college and high school marching bands. Supplemented with musical arrangements, warm-up exercises, and over a hundred drill charts, this manual presents both the fundamentals and the advanced techniques that are essential for successful marching band leadership. The materials in this volume cover every stage of musical direction and instruction, from selecting music and choreographing movements to improving student memorization and endurance to the creation of striking visual configurations through uniform and auxiliary units. Now in its third edition, The Complete Marching Band Resource Manual has been thoroughly updated to reflect new standards for drill design, charting, and musical arrangement. Offering a fresh approach to the essentials of good marching band design, this comprehensive resource shows both veteran and novice band directors how to prepare students to perform seamless and sophisticated musical formations.

Markworth, former director of bands at Centerville High School in Centerville, Ohio, offers tried-and-true suggestions and information on the exciting world of contemporary high school marching band. (Music)

Band Aids is an organizational guide for early career band directors and for more experienced directors seeking new organizational and management strategies and approaches for their school and community bands. The authors present a practical approach to organizing, managing, and teaching an instrumental music program. Classroom management, instrumentation, starting beginners, parent organizations, band trips, and assessment are among the relevant topics presented and discussed. This text is an invaluable guide for directors searching for assistance, not with music skills, but with the day-to-day teaching and management of a band program. "Tips" and "Key Points" enable a quick review of material covered.

This well researched volume tells the story of music education in Japan and of the wind band contest organized by the All-Japan Band Association. Identified here for the first time as the world's largest musical competition, it attracts 14,000 bands and well over 500,000 competitors. The book's insightful contribution to our understanding of both music and education chronicles music learning in Japanese schools and communities. It examines the contest from a range of perspectives, including

those of policy makers, adjudicators, conductors and young musicians. The book is an illuminating window on the world of Japanese wind bands, a unique hybrid tradition that combines contemporary western idioms with traditional Japanese influences. In addition to its social history of Japanese school music programs, it shows how participation in Japanese school bands contributes to students' sense of identity, and sheds new light on the process of learning to play European orchestral instruments.

This is an updated edition with a new four-color cover and updated text in various places in the book that mention correlated material. The music and songs are the same. The time-honored First Division Band Method retains the same pedagogically-sound sequence of learning that has taught over 12,000,000 students the fundamentals of learning to play a band instrument.

Conducting and Rehearsing the Instrumental Music Ensemble is the most comprehensive guide on the rehearsal process for conducting instrumental music ensembles. Ideal for the advanced instrumental music conductor seeking to look beyond basic conducting technique, this work breaks the multidimensional activity of working with an ensemble, orchestra, or band into its constituent components. Advanced students of conducting will find within the full range of conducting activities: • Chapters on the infrastructure of the rehearsal, the rehearsal environment, 10 rehearsal essentials, score study, music imagery, inner singing, and rehearsal procedures (with an emphasis on an integrated approach to rehearsing) • The technical priorities of intonation and tuning, rhythm patterns, ensemble sonority (tone, balance, blend, color and texture), and articulation • The musical priorities of tempo and ensemble precision, phrasing and the musical line, style and interpretation, dynamics and musical expression • Emphasizing the expectations of 21st-century conductors, the challenges of conducting and rehearsing contemporary music, preparing conductor profiles and self-evaluations, and moving from the rehearsal process to concert performance Conducting and Rehearsing the Instrumental Music Ensemble is a great resource for teachers and students of conducting, as well as current conductors wishing to further hone their skills.

Level Two, continues at the same pace as Level One, expanding range, scale study, rhythms, technique, and ensemble playing. As well as classical, world music, and patriotic pieces, there are 11 popular standard songs, including: • Chitty Chitty Bang Bang • Sleigh Ride • A Trumpeter's Lullaby • The Little Drummer Boy • Have Yourself a Merry Little Christmas • I'd Like to Teach the World to Sing • The Syncopated Clock • We're Off to See the Wizard • The Merry-Go-Round Broke Down • Theme from Star Wars The two commissioned performance pieces are Celtic Air and Dance by Elliot del Borgo, and Destiny by Larry Clark. This book combines the percussion book (snare drum, bass drum, and auxiliary percussion) on left hand pages, and keyboard percussion on right hand pages.

Essential Styles, Books 1 and 2 are two innovative book and play-along CD (or cassette) packages that teach 50 essential grooves from today's jazz and popular styles. The books include written-out charts of each selection and performance tips for both drums and bass. All of the grooves have been recorded with a rhythm section and woodwinds, with drums mixed on the left channel and bass on the right, so either instrument may be dialed out. In addition, many of the tracks contain open choruses of comping so any instrument can practice playing solos! Essential Styles emphasizes the most important aspects of solid group playing; locking-in between the drummer and bassist, providing a strong rhythmic foundation and creating an authentic feel for whatever the style demands.

Sound Innovations: Ensemble Development for Young Concert Band is a complete curriculum for be-

ginning band students to help them grow as ensemble musicians. The series complements any band method and supplements any performance music. It contains 167 exercises, including more than 100 chorales by some of today's most renowned young band composers.
