“This is a quirky and fantastic introduction to the theology of Karl Barth...The Barth Lectures is a concise and very readable introduction to the theology of Karl Barth by one of the foremost English theologians of the twentieth century.

The Barth Lectures: Colin E. Gunton: Paul Brazier: T&T Clark

Gunton on Barth is an in-depth analysis, derived from the lecture course he gave most years at King's College London: something of an annual institution it was aimed at undergraduates, though the majority of those attending were MA/PhD students, and researchers from America and Germany!

The first three chapters of *The Barth Lectures* provide an overview of Barth's development with respect to Enlightenment thinkers such as Kant and

Schleiermacher (chap. 1), the liberalism of Harnack and Herrmann, the eschatology of Johann Christoph Blumhardt, Barth's contemporaries such as Bultmann (chap. 2), and the quest for a theological method in conversation with Harnack and Anselm (chap. 3).

The lectures, of course, were well prepared, replete with handouts and diagrams, but what you hear is not only Gunton's take on Barth but also his taking on Barth even as he speaks. That is, we not only get theology, we actually get theologising – Barth “is a great man to learn to think theologically with” – as Gunton probes on his feet, sometimes with touching tentativeness.
