The Bamboo Annals, also known as the Ji Tomb Annals, is a chronicle of ancient China. It begins in the earliest legendary time and extends to 299 BC, with the later centuries focusing on the history of the State of Wei in the Warring States period. It thus covers a similar period to Sima Qian's Records of the Grand Historian. The original may have been lost during the Song dynasty, and the text is known today in two versions, a "current text" of disputed authenticity and an incomplete "ancient t

The custom of interring books made of the durable bamboo strips in royal tombs has preserved many works in their original form through the centuries. An important early find was the Jizhong discovery in 279 AD of a tomb of a king of Wei, though the original recovered strips have since

disappeared.

**Bamboo and wooden slips - Wikipedia**

This book \*does\* contain quite a bit about the plant, but it's very, very 1980s: it includes (not so great) poetry about bamboo in unexpected places, and the entire first 3/4 of the book seems to be a -- albeit interesting but mostly useless -- catalogue about the historical uses of the plant around the world.

**The Book of Bamboo: A Comprehensive... by David Farrelly**

The Book of Bamboo is designed as a step by step procedure to enable the student to learn technique in a more detailed and organized manner. It is a practical handbook for the student of Chinese brush painting. It starts with an outline of the appreciation of Chinese Calligraphy. The custom of interring books made of the durable bamboo strips in royal tombs has preserved many works in their original form through the centuries. An important early find was the Jizhong discovery in 279 AD of a tomb of a king of Wei, though the original recovered strips have since disappeared.
