Calcutta: a monstrous city of immense slums, disease and misery, is clasped in the foetid embrace of an ancient cult. At its decaying core is the Goddess Kali: the dark mother of pain, four-armed and eternal, her song the sound of death and destruction. Robert Luczak has been hired by Harper's to find a noted Indian poet who has reappeared, under strange circumstances, yea.

At The Book of Everyone,

we put each person at the heart of the personalisation process. The result is a gift packed with enough emotion to make angsty adolescents smile, help couples exchange vows, and bring grown men to tears. The best banter-building, fun fueling personalised gift ever.
