The City: The Basics provides a brief yet compelling overview of the study of cities and city life. The book draws on a range of perspectives – economic, political, cultural, and environmental aspects are all considered – to provide a broad comparison of the evolution of cities in the rich Global North and the poorer Global South.

THE CITY & THE CITY is a mysterious and provocative tour de force from China Miéville and is without question his most stunning book since 2002's THE SCAR. With this work, Miéville deftly plays with a plot that could've collapsed under its own weight had someone of lesser writing talent undertaken it.

On the city of God against the pagans (Latin: *Dē cīvitāte Deī contrā pāgānōs*), often called The City of God, is a book of Christian philosophy written in Latin by Augustine of Hippo in the early 5th century AD. The book was in response to allegations that Christianity brought about the decline of Rome and is considered one of Augustine's most important works, standing alongside The ...

With Christian Camargo, Ron Cook, Mandeep Dhillon, Robert Firth, Inspector Tyador Borlú of the Extreme Crime Squad in the European city-state of Beszel, investigates the murder of a student from Beszel's twin-city of Ul Qoman - which occupies the same space but is perceived differently.

This book is a hymn to the civic value and importance of city life... For it is Glaeser's contention that it is city life, where smart people gather to live and work, that is the mother of invention, productivity and entrepreneurship and that these three factors, above all, are the sine qua non of great cities and great civic life.

This one-page guide includes a plot summary and brief analysis of The City and the City by China Miéville. The City & the City is a surreal crime fiction novel by China Mieville, published in 2009. Taking place in two cities which somehow physically overlap, it utilizes tropes of parallel universes to follow a pervasive crime scheme and its subsequent murder investigation.

The Book of the City of Ladies or Le Livre de la Cité des Dames (finished by 1405), is perhaps Christine de Pizan's most famous literary work, and it is her second work of lengthy prose. Pizan uses the vernacular French language to compose the book, but she often uses Latin-style syntax and conventions within her French prose. The book serves as her formal response to Jean de Meun's popular ...

The City & the City is not merely a cleverly structured detective novel, it is also a rather profound anthropological analysis. The premise of the book is that the City in question is divided in two by a sort of psychological Iron Curtain, sometimes at the level of individual dwellings.
