Movie stars and paparazzi flock to Cannes for the glamorous film festival, but Grace Kelly, the biggest star of all, wants only to escape from the flashbulbs. in her boutique to fend off a persistent British press photographer, James Henderson, a bond is forged between the two women and sets in motion a chain of events that stretches across thirty years of friendship, love, and tragedy. James Henderson cannot forget his brief encounter with Sophie Duval. Despite his guilt at being away from his daughter, he takes an assignment to cover the wedding of the century, sailing with Grace Kelly's wedding party on the SS Constitution from New York. Written late in life, "The Optimist's Daughter" is a Pulitzer Prize-winning and autobiographical short novel written that finds the author coming to grips with her father's death--and that of her own childhood.

Steeped in naval history and courtly intrigue, this fast-paced historical novel tells the true story of a dangerous sea voyage from Britain's tumultuous Georgian past. When Admiral George Anson sets off to circumnavigate the globe in search of treasure and prestige, he leaves his mistress to fend for herself in the dangerous court of George II. In the years that follow, the lovers each face life-changing journeys: one filled with mutiny, storms and unimaginable treasure, the other with gossip, love and the battle for true friendship.

From two leading child and adolescent mental health experts comes a guide for the parents of every college and college-bound student who want to know what's normal mental health and behavior, what's not, and how to intervene before it's too late. "The

title says it all...Chock full of practical tools, resources and the wisdom that comes with years of experience, *The Stressed Years of their Lives* is destined to become a well-thumbed handbook to help families cope with this modern age of anxiety." — Brigid Schulte, Pulitzer Prize-winning journalist, author of *Overwhelmed* and director of the Better Life Lab at New America All parenting is in preparation for letting go. However, the paradox of parenting is that the more we learn about late adolescent development and risk, the more frightened we become for our children, and the more we want to stay involved in their lives. This becomes particularly necessary, and also particularly challenging, in mid- to late adolescence, the years just before and after students head off to college. These years coincide with the emergence of many mood disorders and other mental health issues. When family psychologist Dr. B. Janet Hibbs's own son came home from college mired in a dangerous depressive spiral, she turned to Dr. Anthony Rostain. Dr. Rostain has a secret superpower: he understands the arcane rules governing privacy and parental involvement in students' mental health care on college campuses, the same rules that sometimes hold parents back from getting good care for their kids. Now, these two doctors have combined their expertise to corral the crucial emotional skills and lessons that every parent and student can learn for a successful launch from home to college.

'Smart, sexy, and oh-so-romantic' Mary Balogh Julian St. David, Duke of Haverford, is barely keeping his head above water in a sea of inherited debts. Though he has a long-term plan to restore the family finances, his sister has a much faster solution: host a house party for London's single young ladies and find Julian a

wealthy bride. Elizabeth Windham has no interest in marriage, but a recent scandal has forced her hand. As much as she'd much rather be reading Shakespeare than husband-hunting, she has to admit she's impressed by Julian's protective instincts, broad shoulders, and, of course, his vast library. As the two spend more time together, their attraction is overwhelming, unexpected... and absolutely impossible. With meddling siblings, the threat of financial ruin, and gossips lurking behind every potted palm, will they find true love or true disaster? The sparkling third book in the New York Times bestselling Windham Brides series - perfect for fans of Eloisa James, Tessa Dare and Elizabeth Hoyt The Windham Brides series: *The Trouble with Dukes Too Scot to Handle No Other Duke Will Do A Rogue of Her Own Praise for Grace Burrowes: 'Wonderfully funny, moving romance, not to be missed!' Eloisa James 'Sexy heroes, strong heroines, intelligent plots, enchanting love stories...Grace Burrowes's romances have them all' Mary Balogh 'Grace Burrowes is a romance treasure' Tessa Dare 'Grace Burrowes writes from the heart - with warmth, humor, and a generous dash of sensuality, her stories are unput-downable! If you're not reading Grace Burrowes you're missing the very best in today's Regency Romance!' Elizabeth Hoyt Her Serene Highness, Princess Grace of Monaco, the legendary Hollywood screen siren, Grace Kelly is an American icon whose beauty is unrivalled, and whose oft-imitated aristocratic style and cool elegance has never been eclipsed. Wendy Leigh- after three years' research - has gained unprecedented access to over one hundred sources who have never talked about Grace before, including nine of her until now undisclosed romances - among them an English aristocrat, an American tennis player, and a Hollywood*

legend - and also including her priest friend, Father Peter Jacobs, and Bernard Combemal, the former head of the S.B.M, the consortium that runs Monaco. Wendy Leigh provides revealing new details about Grace's life, including her premarital romantic swan song which took place during her voyage to Monaco, the hitherto untold story of her troubling relationship with bridesmaid, Carolyn Reybold and the moving story of Grace's lifelong relationship with actor, David Niven. Wendy Leigh paints a compelling portrait of Grace, the ambitious young actress, Grace, the dutiful princess who transformed the principality of Monaco into a jet-set haven, Grace, the kind-hearted philanthropist, Grace, the loving mother, and Grace, the patriotic American. Wendy Leigh's book has not been written for those readers who wish to view Grace as a saint, but for those who - like Leigh herself - believes that she was a strong and wonderful woman.

From award-winning author Paulina Bren comes the "captivating portrait" (The Wall Street Journal) of New York's most famous residential hotel--The Barbizon--and the remarkable women who lived there. Welcome to New York's legendary hotel for women. Liberated from home and hearth by World War I, politically enfranchised and ready to work, women arrived to take their place in the dazzling new skyscrapers of Manhattan. But they did not want to stay in uncomfortable boarding houses. They wanted what men already had--exclusive residential hotels with maid service, workout rooms, and private dining. Built in 1927, at the height of the Roaring Twenties, the Barbizon Hotel was designed as a luxurious safe haven for the "Modern Woman" hoping for a career in the arts. Over time, it became the place to stay for any ambitious young woman hoping for fame and fortune. Sylvia

Plath fictionalized her time there in *The Bell Jar*, and, over the years, it's almost 700 tiny rooms with matching floral curtains and bedspreads housed, among many others, Titanic survivor Molly Brown; actresses Grace Kelly, Liza Minnelli, Ali MacGraw, Jaclyn Smith; and writers Joan Didion, Gael Greene, Diane Johnson, Meg Wolitzer. *Mademoiselle* magazine boarded its summer interns there, as did Katharine Gibbs Secretarial School its students and the Ford Modeling Agency its young models. Before the hotel's residents were household names, they were young women arriving at the Barbizon with a suitcase and a dream. Not everyone who passed through the Barbizon's doors was destined for success--for some, it was a story of dashed hopes--but until 1981, when men were finally let in, the Barbizon offered its residents a room of their own and a life without family obligations. It gave women a chance to remake themselves however they pleased; it was the hotel that set them free. No place had existed like it before or has since. "Poignant and intriguing" (The New Republic), The Barbizon weaves together a tale that has, until now, never been told. It is both a vivid portrait of the lives of these young women looking for something more and a "brilliant many-layered social history of women's ambition and a rapidly changing New York through the 20th century" (The Guardian).

After the death of his brilliant, eccentric father, Adam Dudding went in search of the stories and secrets of a man who had been a loving parent and husband, but was also a tormented, controlling and at times cruel man. Robin Dudding was the greatest New Zealand literary editor of his generation – friend and mentor of many of our best-known writers. At his peak he published the country's finest literary journal on the smell of an oily rag from a falling-down house overflowing with books, long-haired children and chickens – an island of nonconformity in the heart of 1970s Auckland suburbia. Yet when Robin's uncompromising integrity tipped into something much more self-destructive, a dark shadow fell over his career and personal life. In *My Father's Island*, Adam Dudding writes frankly about the rise and fall of an unconventional cultural figure. But this is also a moving, funny and deeply per-

sonal story of a family, of a marriage, of feuds and secret loves – and of a son's dawning understanding of his father.

Part memoir, part detective story, part untold history of museums - *The Museum Makers* is a fascinating and moving family story. 'Rachel Morris is one of the smartest storytellers I have ever met ... a wonderful and beguiling book' James Rebanks, author of *The Shepherd's Life* Without even thinking I began to slide all these things from the dusty boxes under my bed into groups on the carpet, to take a guess at what belonged to whom, to match up photographs and handwriting to memories and names - in other words, to sort and classify. As I did so I had the revelation that in what we do with our memories and the stuff that our parents

leave behind, we are all museum makers, seeking to make sense of the past.; Museum expert Rachel Morris had been ignoring the boxes under her bed for decades. When she finally opened them, an entire bohemian family history was laid bare. The experience was revelatory - searching for her absent father in the archives of the Tate; understanding the loss and longings of the grandmother who raised her - and transported her back to the museums that had enriched her lonely childhood. By teasing out the stories of those early museum makers, and the unsung daughters and wives behind them, and seeing the same passions and mistakes reflected in her own family, Morris digs deep into the human instinct for collection and curation.

A daughter's poignant search to understand her mother - once a bridesmaid to Princess Grace and a world-renowned Ford model, who spent her final years in a homeless shelter. Nyna Giles was picking up groceries at the supermarket one day when she looked down and saw a woman on the cover of a tabloid beneath the headline: 'Former Bridesmaid of Princess Grace Lives in Homeless Shelter'. Nyna was stunned, afraid that someone would know the woman on that cover, Carolyn Scott, was her mother. Nyna's childhood had been spent in doctor's offices. Too ill, she was told, to go to school like other children, she spent every waking moment at her mother's side at their isolated Long Island estate or on trips into the city to see the ballet. The doctors couldn't tell her what was wrong, but as Nyna grew up, her mother, who'd always seemed fragile, became more and more distant. Now Nyna was forced to confront an agonising realisation: she barely knew the woman on the magazine in front of her. She knew that her mother had been a model after arriving in 1950s New York, staying at the Barbizon Hotel, where she'd met the young Grace Kelly, and that the two had become fast friends. Nyna had met Grace and seen the photos of Carolyn at her wedding, wearing the yellow bridesmaid gown that had hung in her closet for years. But how had the seemingly confident, glamorous woman in those

pictures become the mother she knew growing up - the mother who was now living in a shelter? In this powerful memoir of friendship and motherhood, Nyna Giles uncovers her mother's past to answer the questions she could never ask.
