Child Labor: Reform Movement | C-S-PAN.org

What was the effect of labor reform movements in the early ...

What was the effect of labor reform movements in the early 1800s? Unions immediately won better working conditions. Child

labor was banned, but long workdays continued for older workers. Reformers gradually won better working conditions, but change was slow. Meaningful legislation addressing labor reform was not passed until the 1940s.

The National Child Labor Committee, formed in 1904, worked to eliminate child labor in the United States. The members searched various industries that commonly hired large numbers of children, including “glass factories, textile mills, coal mines, canneries, as well as the street trades and field work” (Bartoletti 184).

In *The Child Labor Reform Movement*, an apprentice mill worker, an immigrant factory worker, and a “newsie” in New York City experience the dangerous working conditions of the Industrial Revolution and meet Lewis Hine, investigative photographer for the National Child Labor Committee.

History of child labor in the United States—part 1: little ...

History of child labor in the United States—part 2: the reform movement. As progressive child labor reformers gained traction

during the last quarter of the 19th century, efforts expanded at the state level to outlaw the employment of small children. The move toward state-level reforms proved challenging.

Julia Bowes explains how the reform movement for child labor began and the role of media during this time. Report Video Issue Javascript must be enabled in order to access C-SPAN videos.

Child labor began to decline as the labor and reform movements grew and labor standards in general began improving, increasing the political power of working people and other social reformers to demand legislation regulating child labor.

The labor movement obtained more victories for working-class people in the form of minimum wage laws, caps on hours worked, mandated lunch breaks, and regulations on health and safety. As well, once child labor was banned, governments across the industrial world were persuaded to establish public education systems in order to teach youth that were too young to work.

Reform movement - Wikipedia

Child Labor Reform and the U.S. Labor Movement

A reform movement is a type of social movement that aims to bring a social or political system closer to the community's ideal. A reform movement is distinguished from more radical social movements such as revolutionary movements which reject those old ideals, in that the ideas are often grounded in liberalism, although they may be rooted in socialist (specifically, social democratic) or ...
