T6BYKN - COLLINS BROOKLYN

The Combat Trauma Healing Manual Recommended Reading — We Are Stronger

The Combat Trauma Healing Manual provides spiritual tools for struggles with Post Traumatic Stress Disorder (PTSD) that combine insights from the medical and psychiatric communities with the timeless principles of God's Word. This is a great resource for anyone who has fought or served in the military.

One of the main activities a Combat Trauma sufferer can engage in that will help him or her heal is to process their traumatic episodes by thinking and talking about them in a safe environment. When

we first released The Combat Trauma Healing Manual we envisioned it being useful to an individual who would progress through it applying the scriptural and medical principles it offers.

Christopher B Adsit Bridges to healing series. "This manual offers spiritual solutions for your struggles with PTSD. It combines the latest insights of the medical and counseling communities with the timeless principles of God's Word."--Cover.
