F48PPB - BLAKE MICHAELA

The fiscal year (FY or financial year) is usually the primary accounting year for a company, organization, or government, serving to organize budgeting, financial measurement and financial reporting. A FY is usually 1 year in length, with 4 fiscal quarters. The FY may or may not correspond to the calendar year.

Consult Expatica's guide to UK corporate taxes for further information. Self-employed income tax in the UK If you're living in the UK as a self-employed owner of a limited company, you will be liable to pay UK corporation taxes, although what you are taxed on depends on whether you are classified as a resident or non-resident taxpayer in the UK.

Nota fiscal is an official document that proves the existence of a commercial act, being it the purchase or sale of goods or provision of services. Traditionally this document template was pre-printed by print shops in the form of blocks, including information about the company like name, address, CNPJ etc, and also with a series of numbers to identify each Nota Fiscal.
