The Culture Map (INTL ED): Decoding How ... - Barnes & Noble

The Culture Map: Decoding How People Think, Lead, and Get Things Done As today's business world becomes ever-more global and virtual, leaders are expected to work harmoniously together with counterparts from a broad array of cultures and backgrounds, often without leaving their desks.

The Culture Map works by positioning cultures up and down each of these eight scales allowing the manager to tease out the similarities and differences between two cultures on each scale. When examining the 8 dimensions what matters is not the absolute position of either culture on the scale but rather the relative position of the two cultures.
