**What is the difference between sex and gender? - Office ...**

As editor Barry Keith Grant writes, "Today gender roles are being tested, challenged, and redefined everywhere, and until such time as difference is no longer dreaded, this crucial aspect of the horror film will re-

main very important for us." The Dread of Difference is a solid starting place for exploring the idea of gender in horror cinema. It's a fat book with 21 scholarly (and reasonably lucid) essays, and plenty of black-and-white movie stills.

**The dread of difference : gender and the horror film ...**

Sex and gender data can be collected in various ways, as: biological sex, self-defined sex and gender identity. For many people, their sex and their gender are the same, so when asked about sex or gender they do not see a difference, and will just respond "male" or "female" as ap-

propriate.

An undying procession of sons of Dracula and daughters of darkness has animated the horror film genre from the beginning. Indeed, in this pioneering exploration of the cinema of fear, Barry Keith Grant and twenty other film critics posit that horror is always rooted in gender, particularly in anxieties about sexual difference and gender politics.

However, in the second edition of *The Dread of Difference: Gender and the Horror Film*, the discussion of gender is not limited to violence perpetrated upon women, but also to how women respond to violence, how patriarchal control is limned in boudoir-based horror, and even how violence as perpetrated upon the male body can be seen as a commentary on gender dynamics.

"*The Dread of Difference* is a classic. Few film studies texts have been so widely read and so influential. It's rarely on the

shelf at my university library, so continuously does it circulate. Now this new edition expands the already comprehensive coverage of gender in the horror film with new essays on recent developments such as the *Hostel* series and torture porn.

Sex and gender data can be collected in various ways, as: biological sex, self-defined sex and gender identity. For many people, their sex and their gender are the same, so when asked about sex or gender they do not see a difference, and will just respond "male" or "female" as

appropriate.

### **What is the difference between sex and gender? - Office ...**

The Invention of Difference is an excellent 'must read' book on the subject of gender equality in our society and discrimination in the workplace. Although at first glance it might appear that this is yet another academic book targeted at students and HR professionals, nothing could be further from the truth.
