FAA3FC - AYDIN HATFIELD

The sickness infected everyone sixteen and over, and no one escaped its terror. Now kids all over London are forming allegiances and battling grown-ups in order to survive. But who is a friend and who is an enemy?

Hurricane Gold the fourth adventure in a planned series of five, is set in Mexico and on an island off the Mexican coast. A safe haven for criminals, the only way off the island is through the deadly Avenida de la Muerte. It is on this island that James finds himself trapped, among some of the world's most evil criminals.

Set in London in an era when all the population over fourteen years of age, contracted an illness that either killed them or left them crazed and dangerous - A group of children hear of a safe place to hide, but in order to reach it they must cross London where all the deserted alleys and houses hold horrific perils for them as the grown-ups lie in wait.

The sickness struck everyone sixteen and over. Mothers and fathers, older brothers, sisters, and best friends. No one escaped its touch. And now children across London are being hunted by ferocious grown-ups who are hungry, bloodthirsty, and not giving up. DogNut and the rest of his crew, in search of the friends they lost during the fire, set off on a deadly mission from the Tower of London to Buckingham Palace and beyond, as the sickos lie in wait. But who are their friends and who is the enemy in this changed world?

The first phenomenal adventure in a heartstopping new series, from the author of the bestselling Young Bond series. They'll chase you. They'll rip you open. They'll feed on you . . . When the sickness came, every parent, policeman, politician every adult fell ill. The lucky ones died. The others are crazed, confused and hungry. Only children under fourteen remain, and they're fighting to survive. Now there are rumours of a safe place to hide. And so a gang of children begin their quest across London, where all through the city down alleyways, in deserted houses, underground the grown-ups lie in wait. But can they make it there alive?

They'll chase you. They'll rip you open. They'll feed on you . . . The Sacrifice (Book 4) Small Sam and his unlikely ally, The Kid, have survived. They're safe with Ed and his friends at the Tower of London, but Sam is desperate to find his sister. Their search for Ella means Sam and The Kid must cross the forbidden zone. And what awaits them there is more terrifying than any of the horror they've suffered so far . . . The Fallen (Book 5) The Holloway crew are survivors. They've fought their way across London and made it to the Natural History Museum alive - just. But the fight will never end while the Enemy lives . . . The kids at the museum are looking for a cure. All they need are medical supplies. To get them means a journey down unknown roads. Suddenly it's not so clear who - or what - they're fighting. The Hunted (Book 6) The others had promised that the countryside would be safer than the city. They were wrong. Now Ella's all-alone except for her silent rescuer, Scarface - and she's not even sure if he's a kid or a grown-up. Back in London, Ed's determined to find her. But getting out

of town's never been more dangerous- because coming in the other direction is every SICKO in the country.

It's geeks versus zombies in this action-packed thriller! There's no rest for the Wiki . . . and the other survivors of The Disaster in this exclusive scene from Charlie Higson's THE FEAR. The kids just want to celebrate World Book Day, but with drooling sickos lurking at every turn of the page, will they have a moment to return to normalcy, or will this be "the end" for the group?

The sickness destroyed everyone over the age of fourteen. All across London diseased adults are waiting, hungry predators with rotten flesh and ravaged minds. Small Sam and his unlikely ally, The Kid, have survived. They're safe with Ed and his friends at the Tower of London, but Sam is desperate to find his sister. Their search for Ella means Sam and The Kid must cross the forbidden zone. And what awaits them there is more terrifying than any of the horror they've suffered so far . . . ** 'Lord of the Flies with zombies' - Rick Riordan, creator of the Percy Jackson series. ** Charlie Higson is the bestselling author of Young Bond, and creator of The Fast Show. ** Perfect for bloodthirsty fans of Darren Shan and 28 Days Later.

The Hunted is Charlie Higson's sixth terrifying installment in the thrilling The Enemy series The sickness struck everyone over fourteen. First it twisted their minds. Next it ravaged their bodies. Now they roam the streets - Crazed and hungry The others had promised that the countryside would be safer than the city. They were wrong. Now Ella's all-alone except for her silent rescuer, Scarface - and she's not even sure if he's a kid or a grown-up. Back in London, Ed's determined to find her. But getting out of town's never been more dangerous- because coming in the other direction is every SICKO in the country. It's like they're being called towards the capital and nothing is going to stop them . . . In the penultimate book in The Enemy series, the survivors' stories cross with chilling consequences.

When the sickness came, every parent, every policeman, every politician...everyone over 16 years old fell ill. The lucky ones died. The rest begin to decompose, becoming crazed, confused, and hungry for young flesh. Now, every child and teen must fight for survival against the ferocious adults who hunt them in packs, like wild dogs. In the first three books of Charlie Higson's hit series, desperate groups of children in London struggle to find a safe place to live and a way to survive in this new world where death roams the streets.

The Sacrifice picks up after Small Sam and The Kid arrive at the Tower of London at the end of The Dead. Though Sam finds safety and friendship at the Tower with Jordan Hordern's crew, he can't settle down. The only thing he wants is to be reunited with his sister, Ella. Despite Ed's protests, Sam and the Kid strike out westward, through the no-go zone. Meanwhile, Shadowman is tracking Saint George across north London, watching him build up his army. Shadowman knows that Saint George is an extremely dangerous threat, but no one will take his warnings seriously. Some answers to the questions we've been wondering about-- What is the Disease? Where did it come from? Is there a cure?--

are addressed by an unexpected source: a diseased adult nicknamed Wormwood who has the ability to speak, though his ravings are difficult to decipher. Unspeakable horror, edge-of-the-seat suspense, and stomach-churning plot twists continue in Book 4 of Charlie Higson's masterful Enemy saga.

A hilarious new book from the bestselling children's author - Adrian Mole for the new generation! *'Made me cry with laughter and my heart ache' Lisa Thompson, author of The Goldfish Boy* *'- Funniest. Book. Ever' Ross Welford, author of Time Travelling with a Hamster* Stan is going on holiday to Italy with his (fifth) best friend Felix and a load of strangers. Stan is absolutely terrified. Luckily, his mum's given him an emergency list that includes how to survive a shark attack, and what to do if he gets kidnapped. Stan thinks that a better list would include how to cope with odd food, and what to do if he accidentally calls Felix's mum 'mum' in front of everybody. And it soon turns out Italy is full of dangers and things that can go wrong. One thing's for certain, Stan's not going to come back the same boy he left. He just hope he comes back at all . . . Worst. Holiday. Ever is a story about facing fears, dealing with worries, and how it's OK to be anxious, scared, and sometimes a little bit brave.

The sickness struck everyone sixteen and older. First it twisted their minds; next it ravaged their bodies. Now the sickos roam the streets, crazed and hungry for young flesh. Ella's friends had told her that the country would be safer than the city. They were wrong. Now they're dead and Ella's all alone--alone, that is, except for her silent rescuer, Scarface. But she doesn't even know if he's a kid or a grown-up. Back in London, Ed is determined to find Ella and keep his promise to Small Sam that he will reunite sister and brother. But getting out of town has never been more dangerous. It seems that every sicko in the country is coming from all directions, almost as if they're being summoned to the capital. Will anything be able to stop the invading horde?

Oscar is not looking forward to Grandad coming to look after him at the weekend - it means he'll have to play endless rounds of chess or Monopoly, instead of war games on his computer. But when he finds Dad's ancient laptop in the study, he can't resist logging on to something called Project X - and all too soon Oscar creates a real live warrior, who is programmed to obey his every

command. However Monstroso's wires are more than a little crossed, and Oscar finds himself in all sorts of trouble... Crazy fighting and monsters abound in Charlie's Higson's highly entertaining story for younger readers.

In London, after a worldwide sickness infects adults, turning them into zombie-like creatures, DogNut and his crew embark on a deadly mission to find missing friends, as hungry, bloodthirsty grownups lie in wait.

For hundreds of years the people of Alderston have guarded a terrible secret. When Jamie's family receive a summons to do a mysterious job, they move into a house that looks over the graveyard. Soon Jamie begins to suspect that the great iron cages placed on top of the graves are not there to keep robbers out, but to keep the dead in...

Shadowman, realizing that Saint George's army is headed toward the center of London, has raced ahead to warn the kids of the impending disaster. He knows that he has to make them understand--somehow--that they are going to have to work together. This means that Nicola and her kids at the Houses of Parliament, David and his kids at Buckingham Palace, Matt at St. Paul's, General Jordan Hordern and his troops at the Tower of London, the squatters in St. James Park, and all the kids at the Natural History Museum must unite. But will they do it in time? The book culminates in a massive pitched battle in Hyde Park. How will it play out? Who will be the winners and who the losers? One thing is certain: this series will not go out with a whimper!

THE DEAD begins one year before the action in THE ENEMY, just after the Disaster. A terrible disease has struck everyone sixteen and over, leaving them either dead or a decomposing, flesh-eating creature. The action starts in a boarding school just outside London, where all the teachers have turned into sickos. A few kids survive and travel by bus into the city. The bus driver, an adult named Greg, seems to be unaffected by the disease. Then he begins to show the dreaded signs: outer blisters and inner madness. The kids escape Greg and end up at the Imperial War Museum. A huge fire in South London drives them all to the Thames, and eventually over the river to the Tower of London. It is there they will meet up with the kids in THE ENEMY in Book 3, THE FEAR.

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over???the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, The Enemy is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

The Fallen by Charlie Higson is the fifth awesome book in The Enemy series. First the sickness rotted the adults' minds. Then their bodies. Now they stalk the streets, hunting human flesh. The Holloway crew are survivors. They've fought their way across London and made it to the Natural History Museum alive - just. But the fight will never end while the Enemy lives, unless there's another way. . . The kids at the museum are looking for a cure. All they need are medical supplies. To get them means a journey down unknown roads. Roads where not only crazed, hungry sickos hide in the shadows. SUDDENLY IT'S NOT SO CLEAR WHO - OR WHAT - THEY'RE FIGHTING. James Bond has discovered danger. Now it's come looking for him. An Eton boy's family disappears at sea. James uncovers a shadowy society operating in a hidden corner of the school. And far from England, in the bandit-infested interior of Sardinia, a sinister Italian count has built himself a mountain fortress. Is there a connection? Young Bond is about to find out - and face a lethal group of villains beneath the burning Mediterranean sun.

'Charlie Higson's thrillers are major events' Mark Billingham 'An off-beat, atmospheric novel' Mirror 'Written with chilling perception' Time Out 'I do not believe that a man can be truly happy unless he fully understands what he is and can act accordingly... how can it be wrong to be happy?' These lines are taken from Will's diary, a seemingly innocuous exercise book which details his house-breaking activities. Will carefully selects houses - forty-seven so far - ensuring their owners will be in. As they cook their supper or watch television, Will (wearing surgical gloves and leaving no trace behind) enters not only their houses, but their secret lives. A secret museum, housed in his loft, is 'held together by sex'. All his trophies are carefully catalogued and he keeps a very precise diary of his activities and his thoughts. All his life Tom Kendall had lived as quietly and normally as possible ... but he gave people the creeps ... 'kids didn't like him, or the cat'. When Tom discovers Will's diary he decides to adopt the same quest for happiness. Tom has problems of his own - a difficult temper, problems with his girlfriend, Maddie, and an overwhelming sense of powerlessness. Perhaps Will's diary holds the key?

The Enemy is among us . . . First the sickness rotted the adults' minds. Then their bodies. Now they stalk the streets of London, hunting human flesh. The Holloway crew are survivors. They've fought their way across the city and made it to the Natural History Museum alive--just barely. But their fight will never end while the Enemy lives, unless there's another way. . . . The kids at the museum are looking for a cure. All they need are medical supplies. To get them they must venture down unfamiliar streets, where it isn't only crazed, hungry sickos who lurk in the shadows. In this fifth terrifying entry in Charlie Higson's Enemy series, suddenly it's not so clear who--or what--the enemy is.

Follows the dual storylines of Small Sam on his search for Ella and of Shadowman's discoveries about Saint George and the Disease itself.

It all comes to an end in the final book in The Enemy series The sickness struck everyone over fourteen. First it twisted their minds. Next it ravaged their bodies. Now they roam the streets - Crazed and hungry Sickos swarm the streets of London. Gathered in the centre of the city, they lie in wait. The survivors have one

final epic battle to overcome. Together they must work out a plan of attack and end the grown-ups reign of terror before it's too late. The end is coming.
