The Entrepreneurial State - Wikipedia

The Entrepreneurial State (2013) by Marianna Mazzucato looks at how the state is, according to Mazzucato, entrepreneurial in its development of science and technology. The first thing about the book is that it abuses the word 'Entrepreneur'.

The Entrepreneurial State: Debunking Public vs. Private ...

The Entrepreneurial State: Debunking Public vs. Private Sector Myths offers a fundamentally new way to analyze state involvement in the economy. It presents an alternative to both the tradi-

tionally liberal focus on market failures and the traditionally conservative stance that government ought to get out of the way of business activity.
