The Executive's Guide to Healthcare M&A. Most mergers fail to achieve their objectives. This is due to misalignment of M&A objectives with acquisition target partners from the very beginning, unsuccessful post transaction operational integration, or both. Take a few moments to discover the key strategies that will ensure you have a clear path to a successful Healthcare M&A from start to finish, and save yourself the headache of a failed Healthcare M&A.

The Executive Guide to Healthcare Kaizen is an introduction to kaizen principles and an overview of the leadership behaviors and mindsets required to create a kaizen culture or a culture of continuous improvement. The book is specifically written for busy C-level executives, vice presidents, directors, and managers...

[Download Book // The Executive Guide to Healthcare Kaizen ...](#)

Executive orders can adjust how existing healthcare laws are followed. For example, the ACA has an open enrollment period every year where people are allowed to sign up for new plans. With an executive order, the President could lengthen or shorten the open enrollment period. They can also tighten or loosen restrictions for enforcing health care laws.

The Executive Guide to Healthcare Kaizen is an introduction to kaizen principles and an overview of the leadership behaviors and mindsets required to create a kaizen culture or a culture of continuous improvement. The book is specifically written for busy C-level executives, vice presidents, directors, and managers who need to understand the power of this methodology.

If you're a healthcare executive - or a mid-level career professional interested in becoming one - you need to make that first

impression count. Make the wrong impression and you may find yourself struggling to climb out of a hole from Day One - or, worse yet, never have the opportunity to recover with a better second impression.
