The Feelings Book vibrantly illustrates the wide range of moods we all experience. Kids and adults will appreciate Todd Parr's quirky intelligence as he pays special attention to the ever-changing, sometimes nonsensical emotions that we all feel. Targeted to young children first beginning to read, this book will inspire kids to discuss their multitude of feelings in a kid-friendly, accessible ...

The Feelings Book by Todd Parr | Waterstones

The book gave great information on dealing with feelings and how and who to express your feelings to when you are having a hard time. There were lots of examples in the book to support each chapter. I did feel that my daughter was a little young for some parts of the book (she is 6 years old), but much of it still applied to her age group. This book is perfect for the 8-12 age group.

The Feelings Book will explain to kids that their feelings will always change, and that's ok. Sometimes they will feel like dressing up, and sometimes they will feel like crying or camping with the dog, and sometimes they will feel like doing nothing at all. Your kids need to learn that they should share their feelings no matter how they feel. The emotions listed in this book are really ...
