The result is "The Feminine Mistake," an energetic call to mothers to stay in the work force and earn their own way — or suffer the consequences. She rallies numbers to her cause: Half of all marriages end in divorce, and while a man's standard of living actually rises after divorce, a woman's falls.

We bought into a lie that sounded so good... feminism as a world view has wreaked havoc on our culture" (Feminism: Mystique or Mistake? Passno, 2000, pp. 3, 169). A growing number of accomplished women are questioning and rejecting feminist ideology because it has not produced the "glorious fruits" that were promised.

The Feminine Mistake will inspire women to accept the challenge of figuring out who they are and what they want to do with their lives in addition to raising children. Not since Betty Friedan has anyone offered such an eye-opening and persuasive argument for why women can -- and should -- embrace the joyously complex lives they deserve.

The Feminine Mistake will inspire women to accept the challenge of figuring out who they are and what they want to do with their lives in addition to raising children. Not since Betty Friedan has anyone offered such an eye-opening and persuasive argument for why women can--and should--embrace the joyously complex lives they deserve.

Still, I'm glad to have "The Feminine Mistake" reminding women to protect their future and that of their kids. In the end, women have to search their hearts, and not merely books, to find the right balance of child rearing, work and home for their own lives.
