In this stunning conclusion to the Orphan Queen duology, New York Times best-selling coauthor of My Plain Jane Jodi Meadows follows Wilhelmina's breathtaking and brave journey from orphaned criminal on the streets to magic-wielding queen. This epic fantasy duology is perfect for fans of Graceling by Kristin Cashore, The Girl of Fire and Thorns by Rae Carson, and Shadow and Bone by Leigh Bardugo. Princess Wilhelmina is ready for her crown, but declaring herself queen means war. Her magic is uncontrollable and now there's a living boy made of wraith—destructive and deadly, and willing to do anything for her. Caught between what she wants and what is right, Wilhelmina realizes the throne might not even matter. Everyone thought the wraith was years off, but already it's destroying Indigo Kingdom villages. Princess Wilhelmina's ability might be just the thing to help reclaim her kingdom—or ruin it forever.

FROM THE AUTHOR OF THE WOLVES OF WILLOUGHBY CHASE 'She was a literary treasure, and her books will continue to delight for years to come' PHILIP PULLMAN 'Witty and endlessly inventive' CHRIS RIDDELL 'The Under People. They live in a huge Cave. They are thought to be boring upwards. Giant worms and flying ants. Underground magic.' Mickle, the palace cat, knows the kingdom is in danger. He can feel it in his whiskers and he has found a mysterious note in the royal library... (Yes, of course he can read, and speak - if he chooses to!) Mickle can't trust the King and Queen with his mission, so he and Prince Michael, with the help of their animal friends (and quite a bit of magic!), set out on a perilous quest to find the sinister Under People, discover their secret power and save the Kingdom of Astalon. In her first novel, written when she was only a teenager, Joan Aiken showcases the imagination, wit and storytelling zest that would lead to classics like Arabel's Raven and The Wolves of Willoughby Chase.

Conor is dealing with more than an ordinary teenager should have to: his mum is seriously ill, his dad lives far away with a new family, he has terrifying nightmares every night - and now he's being visited by an ancient, elemental monster. But through his encounters with the monster, Conor slowly learns to come to terms with what is happening.

Going to battle against a Titan in the war of all wars, one woman is making history in an epic novel of ancient Greece by Emily R. King, author of the Hundredth Queen series. May Gaea be with you... Althea Lambros is growing into her power, wrestling with a burdensome heritage, and unwilling to concede to Cronus, the redoubtable God of Gods. For that, Cronus is making good on his promise. Calling upon the elder Titans, he's bringing down his wrath on the world. Suffering quakes, tempests, fire, and hail, mortals are paying in blood for the war of the gods. With the help of her friend Theo, Althea takes cover with her sisters, Bronte and Cleora. But they can't hide forever. To mastermind the downfall of the evil king, Althea must recruit allies of her own before the aggrieved mortals surrender the sisters to Cronus in exchange for peace. Is Althea formidable enough to win? It'll take the help of her sisters and those willing to fight for the cause of the just. As the gods pick sides, Althea must divide heaven and earth to defeat the enemy and write the true history of the war to end all wars.

In exile after the death of Rajah Tarek and the invasion of the imperial city, Kalinda must fight and defeat three tournament opponents to ensure the help of Prince Ashwin against the warlords and to win Captain Deven Naik's release from prison.

A family of dragons gathers on the occasion of the death of their father, the elder Bon Agornin. As is custom, they must eat the body. But even as Bon's last remains are polished off, his sons and daughters must all jostle for a position in the new hierarchy. While the youngest son seeks greedy remuneration through the courts of law, the eldest son - a dragon of the cloth - agonises over his father's deathbed confession. While one daughter is caught between loyalty to her family by blood and

her family by marriage, another daughter follows her heart - only to discover the great cost of true love... Here is a Victorian story of political intrigue, family ties and political intrigue, set in a world of dragons - a world, quite literally, red in tooth and claw. Full of fiery wit, this is a novel unlike any other.

A heartstopping, poignant, epic adventure story about a boy destined to live forever, who only wants to grow up. Without death, life is just existence. Have you ever wondered what it would be like to live forever? Well, Alfie Monk can tell you. He may seem like an ordinary eleven-year-old boy, but he's actually more than a thousand years old—and remembers the last Viking invasion of England, not to mention the French Revolution and both World Wars. Way back in the tenth century, he and his mother were given the alchemical secret to eternal life. But when everything Alfie knows is destroyed in a fire, and the modern world intrudes, he must embark on a mission—along with friends Aidan and Roxxy—to find a way to reverse the process and grow up like a regular boy. This astonishing new novel from the author of *Time Traveling with a Hamster*, told in alternating perspectives by Alfie and Aidan, is a tour de force—a sweeping epic that takes you on an unforgettable, breathtaking adventure and asks big questions about the meaning of life.

When an ice demon takes the form of her tyrannical late husband, Rajah Tarek, he brands Kalinda as a traitor, forcing her to seek haven in the Southern Isles, where she must ally with those she distrusts in order to defeat the demon.

In Hollywood's underworld of demigods, druids, and ancient bonds, one girl has a dangerous future. Sage is eighteen, down on her luck, and struggling to survive on the streets of Los Angeles. Everything changes the night she's invited to a party—one that turns out to be a trap. Thrust into a magical world hidden within the City of Angels, Sage discovers that she's the daughter of a Celtic goddess, with powers that are only in their infancy. Now that she is of age, she's asked to pledge her service to one of the five deities, all keen on winning her favor by any means possible. She has to admit that she's tempted—especially when this new life comes with spells, Hollywood glam, and a bodyguard with secrets of his own. Not to mention a prince whose proposal could boost her rank in the Otherworld. As loyalties shift, and as the two men vie for her attention, Sage tries to figure out whom to trust in a realm she doesn't understand. One thing is for sure: the trap she's in has bigger claws than she thought. And it's going to take a lot more than magic for this Celtic demigoddess to make it out alive.

More than a hundred years from now, an arborist fighting to save the last remaining forest on Earth discovers a secret about the trees—one that changes not only her life, but also the fate of our world. This book traces the origins of a faith—perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries—the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared *The New Republic* hailed it as "remarkable, learned and lively," while *The New Yorker* noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

Jo Walton is an award-winning author of, inveterate reader of, and chronic re-reader of science fiction and fantasy books. *What Makes This Book So Great?* is a selection of the best of her musings about her prodigious reading habit. Jo Walton's many subjects range from acknowledged classics, to guilty pleasures, to forgotten oddities and gems. Among them, the *Zones of Thought* novels of Vernor Vinge; the question of what genre readers mean by 'mainstream'; the under-appreciated SF adven-

tures of C. J. Cherryh; the field's many approaches to time travel; the masterful science fiction of Samuel R. Delany; Salman Rushdie's *Midnight's Children*; the early Hainish novels of Ursula K. Le Guin; and a Robert A. Heinlein novel you have most certainly never read. Over 130 essays in all, *What Makes This Book So Great* is an immensely engaging collection of provocative, opinionated thoughts about past and present-day fantasy and science fiction, from one of our best writers.

In Emily R. King's thrilling fantasy debut, an orphan girl blossoms into a warrior, summoning courage and confidence in her fearless quest to upend tradition, overthrow an empire, and reclaim her life as her own. As an orphan ward of the Sisterhood in the ancient Tarachand Empire, eighteen-year-old Kalinda is destined for nothing more than a life of seclusion and prayer. Plagued by fevers, she's an unlikely candidate for even a servant's position, let alone a courtesan or wife. Her sole dream is to continue living in peace in the Sisterhood's mountain temple. But a visit from the tyrant Rajah Tarek disrupts Kalinda's life. Within hours, she is ripped from the comfort of her home, set on a desert trek, and ordered to fight for her place among the rajah's ninety-nine wives and numerous courtesans. Her only solace comes in the company of her guard, the stoic but kind Captain Deven Naik. Faced with the danger of a tournament to the death--and her growing affection for Deven--Kalinda has only one hope for escape, and it lies in an arcane, forbidden power buried within her.

On the 24th of February, 1815, the lookout at Notre-Dame de la Garde signalled the three-master, the Pharaon from Smyrna, Trieste, and Naples. As usual, a pilot put off immediately, and rounding the Chateau d'If, got on board the vessel between Cape Morgion and Rion island. Immediately, and according to custom, the ramparts of Fort Saint-Jean were covered with spectators; it is always an event at Marseilles for a ship to come into port, especially when this ship, like the Pharaon, has been built, rigged, and laden at the old Phocée docks, and belongs to an owner of the city. The ship drew on and had safely passed the strait, which some volcanic shock has made between the Calasareigne and Jaros islands; had doubled Pomegue, and approached the harbor under topsails, jib, and spanker, but so slowly and sedately that the idlers, with that instinct which is the forerunner of evil, asked one another what misfortune could have happened on board. However, those experienced in navigation saw plainly that

if any accident had occurred, it was not to the vessel herself, for she bore down with all the evidence of being skilfully handled, the anchor a-cockbill, the jib-boom guys already eased off, and standing by the side of the pilot, who was steering the Pharaon towards the narrow entrance of the inner port, was a young man, who, with activity and vigilant eye, watched every motion of the ship, and repeated each direction of the pilot. The vague disquietude which prevailed among the spectators had so much affected one of the crew that he did not await the arrival of the vessel in harbor, but jumping into a small skiff, desired to be pulled alongside the Pharaon, which he reached as she rounded into La Reserve basin. When the young man on board saw this person approach, he left his station by the pilot, and, hat in hand, leaned over the ship's bulwarks. He was a fine, tall, slim young fellow of eighteen or twenty, with black eyes, and hair as dark as a raven's wing; and his whole appearance bespoke that calmness and resolution peculiar to men accustomed from their cradle to contend with danger.

War has finally come to Faery. Everything I thought I knew was wrong. Truths have become lies, and they have all begun to unravel around us. I can no longer trust my instincts. Ryder has changed, but so have I. We're evolving, but into what? I'm not sure, but I do know that it isn't what I wanted to become. I don't know if I will survive this war. One of us is holding back, while the other continually moves forward toward the mages who endlessly slaughter the fae. I think it's me. I think I have to lose it all, to gain what is missing inside of me. How do you eradicate self, when self is what you've been fighting for? Throw everything you think you know about the fae away. Nothing is sacred, and no one is safe from the monsters we're about to become. From Onjali Q. Rauf, the award-winning and best-selling author of *The Boy at the Back of the Class*, comes another incredible story, told with humour and heart. 'The boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the

truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong... Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

For anyone who loves sailing and adventure, Arthur Ransome's classic *Swallows and Amazons* series stands alone. Originally published in the UK over a half century ago, these books are still eagerly read by children, despite their length and their decidedly British protagonists. We attribute their success to two facts: first, Ransome is a great storyteller and, second, he clearly writes from first-hand experience. Independence and initiative are qualities any child can understand and every volume in this collection celebrates these virtues. The crew's on holiday for their sixth adventure, and they turn their energies to mining for gold, aided by pigeon messengers Homer, Sophocles, and Sappho. The adventurers comb the nearby hills for a fabled lost claim, while being shadowed by a mysterious figure they dub "squashy hat." Undeterred by drought, sudden brushfires, and the continuing presence of Squashy Hat, the young prospectors persevere in their quest -- with surprising results. Full of the dangers and dark adventures of old mines and forgotten claims, *Pigeon Post* has an irresistible appeal to the persistent explorer in every child.

In the final volume of The Hundredth Queen quartet, Kalinda will risk everything to save the man she loves, even if it means convincing a god to guide her through the Void. Freeing a mortal from the Void is nearly impossible, but Kalinda has never let those odds stop her before. Formation of Character is the fifth volume

of Charlotte Mason's Homeschooling series. The chapters stand alone and are valuable to parents of children of all ages. Part I includes case studies of children (and adults) who cured themselves of bad habits. Part II is a series of reflections on subjects including both schooling and vacations (or "stay-cations" as we now call them). Part III covers various aspects of home schooling, with a special section detailing the things that Charlotte Mason thought were important to teach to girls in particular. Part IV consists of examples of how education affected outcome of character in famous writers of her day. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music,

and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to allow students free time to play and to pursue their own worthy interests such as handicrafts. Traditional Charlotte Mason schooling is firmly based on Christianity, although the method is also used successfully by s

Fabre had many scholarly achievements. He was a popular teacher, physicist, chemist, and botanist. However, he is probably best known for his findings in the field of entomology, the study of insects, and is considered by many to be the father of modern entomology. Much of his enduring popularity is due to his marvelous teaching ability and his manner of writing about the lives of insects in biographical form. After her brother Lamont Blackburn dies of complications associated with AIDS, Odesa Lacey's quest to fulfill Lamon't wish for a connection with their siblings finds her navigating through a family history filled with incest, homophobia, and abuse.
