We hear from Kurt Eichenwald, whose book The Informant is about the price fixing conspiracy at the food company ADM, Archer Daniels Midland, and the executive who cooperated with the FBI in recording over 250 hours of secret video and audio tapes, probably the most remarkable videotapes ever made of an American company in the middle of a criminal act.

With reality obscured by a complacent and often complicit sports media, The Fix Is In shines a light on a hidden history of clandestine arrangements between television networks and sports leagues, all against a background of drinking, drugging, gambling and crime.
