Hello guys! I bought the game yesterday and played the whole 100 rounds on grasslands to unlock all modes, but when i wanted to play again today, no progress was saved and i couldn't save progress during a game either. I lost all 5 or so achievements i had gotten yesterday and everything was locked again.

Saving is an option available to the player and an integral mechanic of Don't Starve. The player can save and quit during any part of the game, and it will also automatically save at random intervals, usually once a game day. If the player dies and has a resurrection item, the game will also automatically save before the player is revived.. When the player dies with no resurrection items, unless ...
