The Fortune Cookie Chronicles Adventures

The number had been in a fortune cookie they had cracked open themselves. The number had been on a fortune found while cleaning a car or waiting at a convenience-store counter. But the one thing all those stories had in common was the starting point: a meal from a Chinese restaurant that had ended with a fortune cookie.

The Fortune Cookie Chronicles: Adventures in the World of Chinese Food is a survey of the history of Chinese food by Chinese-American author and magazine reporter Jennifer 8.Lee. The book argues that globalization has made most food categories, including that of "Chinese" food, too capacious to explain as a set of ingredients or styles.
