SEIGS2 - FULLER MELENDEZ

The four pillars: Theory of Investing (returns are directly linked to risk), the History of Investing (understand past performance to build a portfolio, not to chase returns), the Psychology of Investing (stay the course!), and the Business of Investing (long-term, low-cost index funds will statistically beat any actively managed plan).

The four pillars of investing - Get Rich Slowly

Investing is not a science where apply a certain rule and get the output. It is an art, the correct strategy can change your life, the wrong one will destroy your wealth. When we talk about the investment, it is a long-term process no one can be a billionaire by an overnight. Today will talk about the foundation, Four Pillars of Investment.

The four pillars: Theory of Investing (returns are directly linked to risk), the History of Investing (understand past performance to build a portfolio, not to chase returns), the Psychology of Investing (stay the course!), and the Business of Investing (long-term, low-cost index funds will statistically beat any actively managed plan).

The Four Pillars of Investing by William J. Bernstein

Investing is like losing weight. To lose weight, you have to exercise more, eat less and eat right. Simple, but not easy. To become wealthy, you have to save more, spend less, and invest right. Simple, but not easy. His thoughts and writings have a place in any serious conversation about investing. Yet, they are elegant in their simplicity.
