3TO2P1 - FELIPE HEATH

"A spellbinding portrait" of the tumultuous life and artistic career of one of the most creative photographers of the 1960s (New York magazine). Diane Arbus became famous for her intimate and unconventional portraits of twins, dwarfs, sideshow performers, eccentrics, and everyday "freaks." Condemned by some for voyeurism, praised by others for compassion, she was nonetheless a transformative figure in twentieth-century photography and hailed by all for her undeniable genius. Her life was cut short when she committed suicide in 1971 at the peak of her career. In the first complete biography of Arbus, author Patricia Bosworth traces the arc of Arbus's remarkable life: her sheltered upper-class childhood and passionate, all-consuming marriage to Allan Arbus; her roles as wife and devoted mother; and her evolution from fashion photographer to critically acclaimed artist—one who forever altered the boundaries of photography.

NATIONAL BESTSELLER "Ms. Haigh is an expertly nuanced storyteller long overdue for major attention. Her work is gripping, real, and totally immersive, akin to that of writers as different as Richard Price, Richard Ford, and Richard Russo."—Janet Maslin, *New York Times* The highly praised, "extraordinary" (*New York Times Book Review*) novel about the disparate lives that intersect at a women's clinic in Boston, by *New York Times* bestselling author Jennifer Haigh For almost a decade, Claudia has counseled patients at Mercy Street, a clinic in the heart of the city. The work is consuming, the unending dramas of women in crisis. For its patients, Mercy Street offers more than health care; for many, it is a second chance. But outside the clinic, the reality is different. Anonymous threats are frequent. A small, determined group of anti-abortion demonstrators appears each morning at its door. As the protests intensify, fear creeps into Claudia's days, a humming anxiety she manages with frequent visits to Timmy, an affable pot dealer in the midst of his own existential crisis. At Timmy's, she encounters a random assortment of customers, including Anthony, a lost soul who spends most of his life online, chatting with the mysterious Excelsior11—the screenname of Victor Prine, an anti-abortion crusader who has set his sights on Mercy Street and is ready to risk it all for his beliefs. *Mercy Street* is a novel for right now, a story of the polarized American present. Jennifer Haigh, "an expert natural storyteller with a keen sense of her characters' humanity" (*New York Times*), has written a groundbreaking novel, a fearless examination of one of the most divisive issues of our time.

An instant *New York Times* bestseller "A haunting, harrowing testament to survival." — *People Magazine* "An addictive chronicle of a polygamist community." — *New York Magazine* "Unforgettable" — *Entertainment Weekly* The thirty-ninth of her father's forty-two children, Ruth Wariner grew up in polygamist family on a farm in rural Mexico. In *The Sound of Gravel*, she offers an unforgettable portrait of the violence that threatened her community, her family's fierce sense of loyalty, and her own unshakeable belief in the possibility of a better life. An intimate, gripping tale of triumph and courage, *The Sound of Gravel* is a heart-stopping

true story.

A powerful debut novel, praised by *The New York Times*, *Bustle*, and *Hypable*, that pulses with humor and empathy as it explores the heart's capacity for forgiveness.... Zadie Anson and Emma Colley have been best friends since their early twenties, when they first began navigating serious romantic relationships amid the intensity of medical school. Now they're happily married wives and mothers with successful careers--Zadie as a pediatric cardiologist and Emma as a trauma surgeon. Their lives in Charlotte, North Carolina, are chaotic but fulfilling, until the return of a former colleague unearths a secret one of them has been harboring for years. As chief resident, Nick Xenokostas was the center of Zadie's life--both professionally and personally--throughout a tragic chain of events during her third year of medical school that she has long since put behind her. Nick's unexpected reappearance at a time of new professional crisis shocks both women into a deeper look at the difficult choices they made at the beginning of their careers. As it becomes evident that Emma must have known more than she revealed about circumstances that nearly derailed both their lives, Zadie starts to question everything she thought she knew about her closest friend.

#1 NATIONAL BESTSELLER * SHORTLISTED FOR THE 2022 TORONTO BOOK AWARDS * A *New York Times Book Review* Editors' Choice * Named a Most-Anticipated Book of 2022 by *Entertainment Weekly*, *Lit Hub*, and *AV Club* * "A visceral and incisive collection of six propulsive personal essays." —*Vanity Fair* "[A] roving, psychologically probing memoir in essays . . . On the page, Polley turns out to be as brave, funny, and unself-serious as she is on the screen." —*The New Yorker* From the Academy Award-nominated director of *Women Talking*, *Run Towards the Danger* explores memory and the dialogue between her past and her present. These are the most dangerous stories of my life. The ones I have avoided, the ones I haven't told, the ones that have kept me awake on countless nights. As these stories found echoes in my adult life, and then went another, better way than they did in childhood, they became lighter and easier to carry. Sarah Polley's work as an actor, screenwriter, and director is celebrated for its honesty, complexity, and deep humanity. She brings all of those qualities along with her exquisite storytelling chops to these six essays. Each one captures a piece of Polley's life as she remembers it, while at the same time examining the fallibility of memory, the mutability of reality in the mind, and the possibility of experiencing the past anew, as the person you are now but were not then. As Polley writes, the past and present are in a "reciprocal pressure dance." Polley contemplates stories from her own life ranging from stage fright to high risk childbirth to endangerment and more. After struggling with the aftermath of a concussion, Polley met a specialist who gave her wholly new advice: to recover from a traumatic injury, she had to retrain her mind to strength by charging towards the very activities that triggered her symptoms. With riveting clarity, she shows the power of applying that same advice to other areas of her life in order to find a path forward, a way through. Rather than live in a protective

crouch, she had to run towards the danger. In this extraordinary book, Sarah Polley explores what it is to live in one's body, in a constant state of becoming, learning, and changing.

'A deeply satisfying, intricately plotted fantasy where no one - no one - is quite what they seem' Robin LaFevers, New York Times bestselling author of *Grave Mercy* The first book in the New York Times bestselling *Remnant Chronicles*. The Kingdom of Morrighan is steeped in tradition and the stories of a bygone world, but some traditions Lia can't abide. Like having to marry someone she's never met to secure a political alliance. Fed up and ready for a new life, Lia escapes to a distant village on the morning of her wedding. She settles in among the common folk, intrigued when two mysterious and handsome strangers arrive - and unaware that one is the jilted prince and the other an assassin sent to kill her. Deceptions swirl and Lia finds herself on the brink of unlocking perilous secrets - secrets that may unravel her world - even as she feels herself falling in love. 'This is the kind of story I love - a heart-pounding tale of magic and murder, betrayal and romance set in a richly imagined fantasy landscape' Cindy Williams Chima, New York Times bestselling author of the *Seven Realms* 'The Kiss of Deception has it all - beautiful writing, heart-pounding suspense, a fiery princess, and an epic romance that'll make you swoon. This is definitely one of my favourite reads of the year!' Alyson Noël, #1 New York Times bestselling author of *The Immortals*

From the #1 New York Times bestselling author of *The Glass Castle*, Jeannette Walls' gripping new novel that "transports us with her powerful storytelling...She contemplates the extraordinary bravery needed to confront real-life demons in a world where the hardest thing to do may be to not run away" (O, The Oprah Magazine). It is 1970 in a small town in California. "Bean" Holladay is twelve and her sister, Liz, is fifteen when their artistic mother, Charlotte, takes off to find herself, leaving her girls enough money to last a month or two. When Bean returns from school one day and sees a police car outside the house, she and Liz decide to take the bus to Virginia, where their widowed Uncle Tinsley lives in the decaying mansion that's been in Charlotte's family for generations. An impetuous optimist, Bean soon discovers who her father was, and hears stories about why their mother left Virginia in the first place. Money is tight, and the sisters start babysitting and doing office work for Jerry Maddox, foreman of the mill in town, who bullies his workers, his tenants, his children, and his wife. Liz is whip-smart—an inventor of word games, reader of Edgar Allan Poe, nonconformist. But when school starts in the fall, it's Bean who easily adjusts, and Liz who becomes increasingly withdrawn. And then something happens to Liz in the car with Maddox. Jeannette Walls has written a deeply moving novel about triumph over adversity and about people who find a way to love each other and the world, despite its flaws and injustices.

Sometimes all that it takes to start over is the courage to say you will. In Kathleen's home, red jeans were a sin. Parties were punishable with violence. Fear was part of the daily norm. Growing up in a Catholic cult, under the unforgiving eye of her abusive father, Kathleen knew from an early age that if she were to survive, she'd have to do it on her own. But when the time came to escape, she found herself in a damaging spiral of self-destruction. At rock bottom, and with nowhere to go, Kathleen stepped off a bus in the last place she ever thought she'd find peace: a remote community in rural Canada. Spending a year in almost complete silence, Kathleen feared this experience would prove to be just another step in her unraveling. Instead, with her demons quieted, she emerged with a fresh understanding of self, an empowering new purpose, and a sense of worthiness that she would never let be challenged again. *Wholly Unraveled* is Keele Burgin's gripping and inspiring journey of self-discovery and of finally finding her

voice against nearly insurmountable odds.

A teenage girl is kidnapped, but when freed, she is accused of masterminding the scheme to extort money from her wealthy grandmother.

The author offers a novel based on the life of her grandmother, Lily Casey Smith, who learned to break horses in childhood, journeyed 500 miles on a pony as a teen to become a teacher, and ran a vast ranch in Arizona with her husband while raising two children, including Rosemary Smith Walls, portrayed in the author's acclaimed *The Glass Castle*.

"North of Normal contains so many jaw-dropping scenes it makes Jeannette Walls' childhood (*The Glass Castle*) look almost conventional." —Toronto Star In the late 1960s, Cea's grandfather uproots his family from suburban California and moves them to the Canadian wilderness. Cea spends the first decade of her life living in a canvas tipi, surviving fierce storms, food shortages and adults more interested in their own desires than parenting a child. Knowing no other world, Cea is happy enough. But her mother is missing one crucial element: a man. When she strikes out to look for love, spinning from one boyfriend to the next, Cea is forced along for the ride—and into a harsh awakening. Shocking and heartbreaking, yet often funny, *North of Normal* is the story of a woman's desire to find her normal—no matter what it takes. Cea's journey of self-discovery and acceptance celebrates the strength we all carry within us to shape our destiny.

On September 11th 2001, Carmen Bin Ladin heard the news on the radio that the Twin Towers had been struck. She instinctively knew that her brother-in-law's name would be linked to these horrifying acts of terrorism, and her heart went out to the victims in America. She also knew that her life and the lives of her family would never be the same again. In 1974 Carmen, half Swiss and half Persian, married Yeslam Bin Ladin and found herself inside the complex and vast clan of Bin Laden, part of a society that at that point she neither knew nor understood. Carmen Bin Ladin's story takes us inside one of the most powerful, secretive and repressive kingdoms in the world.

The Glass Castle: A Memoir by Jeannette Walls Book Summary Abbey Beathan (Disclaimer: This is NOT the original book.) The story of Jeannette Walls, a woman who had to escape from her family in order to achieve true happiness. Jeannette Walls definitely lived with an unconventional family. It was a double edged sword. On one hand, her parents were talented and smart, but on the other one, they were also dysfunctional people who slowly but surely, corrupted their marriage. A mother who couldn't stand the responsibility of providing for her family and a father who suffered from alcohol abuse, her family environment was so negative it could only lead Jeannette down a dark path. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) "You should never hate anyone, even your worst enemies. Everyone has something good about them. You have to find the redeeming quality and love the person for that." - Jeannette Walls The story gets interesting when Jeannette could not stand living with her parents anymore. It was time for Jeannette and her brother to fend for themselves and once they found the necessary resources, they fled from home. *The Glass Castle* is a story of courage, risking everything to live a happy life and that no matter how grim the situation might be, there's still a way out. An inspiring tale about a woman who triumphed against all odds. P.S. *The Glass Castle* is an inspiring story about some human beings, with enough determination are able to tip the scale in their favor despite how bad their situation was in the past. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if

he could only have one superpower in this world. Abbey Beathan's mission is to bring across amazing golden nuggets in amazing books through our summaries. "One of the greatest and most powerful gift in life is the gift of knowledge. The way of success is the way of continuous pursuit of knowledge" - Abbey Beathan

The Glass Castle: A Memoir by Jeannette Walls | Summary & Analysis Preview: Jeannette Walls chronicles all the heartbreak, deprivation, humor, and love of her childhood in The Glass Castle, a memoir of growing up dirt-poor on a cross-country odyssey with her charismatic, but alcoholic, father and her codependent mother. Jeannette began thinking of her childhood after spotting her mother, Rose Mary, rummaging through trash in New York City. Her parents were basically living on the street, but offers of help were always rejected. Jeannette went home to her husband's apartment on Park Avenue. She arranged to have lunch with her mom, who advised her to stop feeling guilty, accept her parents as they were, and stop hiding the truth about them. Taking this advice, Jeannette started writing her story. Her first memory went back to a trailer park in Arizona. At the age of three, she spent six weeks in a hospital after her pink tutu caught fire while she was boiling hot dogs with no supervision... With a dazzling and thoughtful voice, this critically acclaimed novel deals directly with the challenges and dangers of immigration, exploring the ties that bind us together in an age when issues threaten to divide us. One night Sophie and her parents are called to a hospital where Pedro, a six-year-old Mexican boy, is recovering from dehydration. Crossing the border into Arizona with a group of Mexicans and a coyote, or guide, Pedro and his parents faced such harsh conditions that the boy is the only survivor. Pedro comes to live with Sophie, her parents, and Sophie's Aunt Dika, a refugee of the war in Bosnia. Sophie loves Pedro—her Principito, or Little Prince. But after a year, Pedro's surviving family in Mexico makes contact, and Sophie, Dika, Dika's new boyfriend, and his son must travel with Pedro to his hometown so that he can make a heartwrenching decision. This is a startling memoir of a successful journalist's journey from the deserted and dusty mining towns of the American Southwest, to an antique filled apartment on Park Avenue. Jeanette Walls narrates her nomadic and adventurous childhood with her dreaming, 'brilliant' but alcoholic parents. At the age of seventeen she escapes on a Greyhound bus to New York with her older sister; her younger siblings follow later. After pursuing the education and

civilisation her parents sought to escape, Jeanette eventually succeeds in her quest for the 'mundane, middle class existence' she had always craved. In her apartment, overlooked by 'a portrait of someone else's ancestor' she recounts poignant remembered images of star watching with her father, juxtaposed with recollections of irregular meals, accidents and police-car chases and reveals her complex feelings of shame, guilt, pity and pride toward her parents.

MORE THAN EIGHT YEARS ON THE NEW YORK TIMES BESTSELLER LIST The extraordinary, one-of-a-kind, "nothing short of spectacular" (Entertainment Weekly) memoir from one of the world's most gifted storytellers. The Glass Castle is a remarkable memoir of resilience and redemption, and a revelatory look into a family at once deeply dysfunctional and uniquely vibrant. When sober, Jeannette's brilliant and charismatic father captured his children's imagination, teaching them physics, geology, and how to embrace life fearlessly. But when he drank, he was dishonest and destructive. Her mother was a free spirit who abhorred the idea of domesticity and didn't want the responsibility of raising a family. The Walls children learned to take care of themselves. They fed, clothed, and protected one another, and eventually found their way to New York. Their parents followed them, choosing to be homeless even as their children prospered. The Glass Castle is truly astonishing—a memoir permeated by the intense love of a peculiar but loyal family. The memoir was also made into a major motion picture from Lionsgate in 2017 starring Brie Larson, Woody Harrelson, and Naomi Watts.

Connecting teens to books they'll truly enjoy is the aim of every young adult librarian, and the completely revamped guide Outstanding Books for the College Bound will give teen services staff the leg up they need to make it happen. Listing nearly 200 books deemed outstanding for the college bound by the Young Adult Library Services Association (YALSA), this indispensable resource Examines how the previous lists in the series were developed, and explains the book's new layout Features engaging, helpful book descriptions useful for readers' advisory Offers programming tips and other ideas for ways the lists can be used at schools and public libraries Includes indexes searchable by topic, year, title, and author More than simply a vital collection development tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college.

'Amazing, heartbreaking and inspiring' Jenny Colgan 'A love letter to the power of friendship, honest and uplifting' Jill Mansell 'A fiercely positive story, about the power of hope' Mike Gayle *****

A stunning, heartbreaking novel about an intrepid girl who challenges the injustice of the adult world - a triumph of imagination and storytelling. It is 1970. 'Bean' Holladay is twelve and her sister Liz fifteen when their artistic mother Charlotte, a woman who 'flees every place she's ever lived at the first sign of trouble', takes off to 'find herself'. She leaves the girls enough money for food to last a month or two. But when Bean gets home from school one day and sees a police car outside the house, she and Liz board a bus from California to Virginia, where their widowed Uncle Tinsley lives in the decaying antebellum mansion that has been in the family for generations. An impetuous optimist, Bean discovers who her father was and learns many stories about why their mother left Virginia in the first place. Money is tight, so Liz and Bean start babysitting and doing office work for Jerry Madox, foreman of the mill in town, a big man who bullies workers, tenants and his wife. Bean adores her whip-smart older sister, inventor of word games, reader of Edgar Allan Poe, non-conformist. But when school starts in the autumn, it is Bean who easily ad-

justs and makes friends, and Liz who becomes increasingly withdrawn. And then something happens between Liz and Maddox... 'Tragic and comic at the same time... an outrageous story, one that will break your heart' Sunday Independent 'There isn't a shred of self-pity in this deeply compassionate book' Marie Claire ***Half Broke Horses (S&S, 2009) 'Has immense power and readability... What it does with aplomb is to track the birth of a nation: the conjuring of modern America from a scorched, dusty wasteland' The Times

'A rallying cry for privacy justice' New York Times 'We need more warriors like Carrie' Tarana Burke, founder of the MeToo movement In an era of doxing, revenge porn and online stalking, the law is failing us. Tech companies are untouchable and often women are persecuted. Carrie Goldberg built her law firm on battling these unprecedented cases - from stalkers haunting their exes through social media and dating apps, to schools suspending girls who report sexual assault, to trolls making fake bomb threats in their victims' names. Here, she tells her clients' stories alongside her own remarkable journey to become the lawyer she once needed. Gripping and inspiring, Nobody's Victim shows how we must rewire the legal system for the age of the internet and gives us the weapons to fight back. *Perfect for fans of She Said by Jodi Kantor and Megan Twohey, The Whisper Network by Chandler Baker and The Good Fight*

In the tradition of *The Glass Castle* and *Angela's Ashes* comes the most unforgettable memoir you'll read this year! "What did it mean to be the Tank Man's son? To grow up overwhelmed by my father's presence and personality? It was as if I didn't exist, as if I was just something else for my father to crush." So begins the haunting memoir of Mark Bouman as he recounts the events of his childhood at the hands of his larger-than-life, Neo-Nazi father in brilliant, startling detail. From adventure-filled days complete with real-life war games, artillery fire, and tank races to terror-filled nights marked by vicious tirades, brutal beatings, and psychological torture, Mark paints a chilling portrait of family life that is at once whimsical and horrific—all building to a shocking climax that challenges even the broadest boundaries of love and forgiveness. An epic tale of redemption and reconciliation, *The Tank Man's Son* is a literary tour de force that is sure to become an instant classic.

Now a major motion picture from Lionsgate starring Brie Larson, Woody Harrelson, and Naomi Watts. MORE THAN SEVEN YEARS ON THE NEW YORK TIMES BESTSELLER LIST The perennially best-selling, extraordinary, one-of-a-kind, "nothing short of spectacular" (Entertainment Weekly) memoir from one of the world's most gifted storytellers. *The Glass Castle* is a remarkable memoir of resilience and redemption, and a revelatory look into a family at once deeply dysfunctional and uniquely vibrant. 'BEAUTIFUL . . . JUSTIFIES ITS PLACE ALONGSIDE NATURE WRITING CLASSICS SUCH AS HIS FOR HAWK' NEW STATESMAN BEST BOOKS OF 2022 'SOUNDINGS GOT UNDER MY SKIN. I FINISHED IT IN TEARS' AMY LIPTROTT 'STRIKING, BRAVE AND OFTEN LYRICAL' GUARDIAN 'WHAT A VOICE! WHAT A BOOK!' CHARLES FOSTER, AUTHOR OF BEING A HUMAN From the lagoons of Mexico to Arctic glaciers, grey whale mothers are swimming with their calves, past predatory orcas, through a warming sea. For ten thousand miles, they endure one of the longest mammalian migrations on the planet. Following them, by bus, train and ferry, are Doreen Cunningham and her young son Max, in pursuit of a wild hope: that their family of two can make it by themselves. Doreen first visited Utqiagvik, the northernmost town in Alaska, as a young journalist reporting on climate change among indigenous whaling communities. There, she joined the spring whale hunt under the neverending Arctic light, watching for bowhead whales and polar bears, drawn deeply to an Iñupiaq family and their culture amid the disappearing ice. Years later, plunged into sudden poverty and isolation after becoming a single parent, Doreen embarks on an extraordinary journey: following the grey whale migration all the way north to the Iñupiaq family that took her in, where grey and bowhead whales meet at the melting apex of our planet. *Soundings* is the story of a woman reclaiming her life, mile by mile; a child growing to love an ocean that is profoundly endangered; and a mother learning from another species how to parent in a time of unprecedented change. Intrepid, brave and breathtaking, her travels will take you to the ends of the earth, alongside the whales that call it home. Jeannette Walls' *The Glass Castle* is a memoir of unbreakable spirit and salvation: an account of the life of a dysfunctional yet oddly vivacious family. When sober, Jeannette's father was creative and ambitious. He taught them geology, physics, and how to take

on life without doubt or fear. When drunk, he was untruthful and violent. Meanwhile, Jeannette's mother was indifferent and free-spirited. She detested the concept of domesticity, and she disliked the responsibility that came with raising children. Jeannette and her siblings were compelled to look after themselves and fend for one another. Together, they endured. When they had settled in New York, their parents followed—not minding the fact that they had nowhere to stay—just so they could come together as a family once again.

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

A daughter's longing love letter to a mother who has slipped beyond reach. Just past seventy, Alex Witchel's smart, adoring, ultracapable mother began to exhibit undeniable signs of dementia. Her smart, adoring, ultracapable daughter reacted as she'd been raised: If something was broken, they would fix it. But as medical reality undid that hope, and her mother continued the torturous process of disappearing in plain sight, Witchel retreated to the kitchen, trying to reclaim her mother at the stove by cooking the comforting foods of her childhood: "Is there any contract tighter than a family recipe?" Reproducing the perfect meat loaf was no panacea, but it helped Witchel come to terms with her predicament, the growing phenomenon of "ambiguous loss"—loss of a beloved one who lives on. Gradually she developed a deeper appreciation for all the ways the parent she was losing lived on in her, starting with the daily commandment "Tell me everything that happened today" that started a future reporter and writer on her way. And she was inspired to turn her experience into this frank, bittersweet, and surprisingly funny account that offers true balm for an increasingly familiar form of heartbreak.

You'll love joining Avery in the adventures of *The Glass Castle* where the setting from *The Chronicles of Narnia* meets the action from *Alice in Wonderland*. Avery dragged her three-year-old brother behind a boxwood bush and listened for footsteps in the brittle leaves. She couldn't be sure which was louder—the person on their trail or her own heart, galloping like a stallion in her ears. With one hand over Henry's mouth, Avery looked down at the nicest dress she owned. Not only had she torn the ruffles and destroyed the hem, but the white linen stood out in the shadowy woods, making her an easy target. If she survived this afternoon and made it home tonight—and that felt like a giant if—her father would demand to know why her dress was stained with grass and mud and tinged with blood. She would tell him the truth. The king is growing old and is concerned about who will replace him. His new wife wants to produce an heir to the throne. The only problem? Thirteen years ago, the king's first wife gave birth to a son, and no one knows for sure what happened to him. Rumors swirl throughout the castle. For the new queen, the solution is simple: dispose of all the thirteen-year-olds in the kingdom. Except, it isn't that easy. Avery and her friends won't go quietly. Avery, Kate, Tuck, and Kendrick take charge of the underground network of kidnapped children, inspiring them to believe that their past does not dictate their future and pledging to do the hardest thing of all. . .reunite the children with the homes they left behind. When they discover that one among them might be the child of a man who wants them dead, will everything they work for be lost? *The Glass Castle* is Book 1 of the Thirteen series. Look for... *The Ruby Moon* - Book 2 *The Paper Boat* - Book 3

"Evocative, authentic, and hilarious." —Tillie Walden, author of *Spinning* and *On a Sunbeam* A charming, highly relatable graphic

memoir that follows one young woman's adventures in coming out and coming of age. Ellie always had questions about who she was and how she fit in. As a girl, she wore black, obsessed over Willow in *Buffy the Vampire Slayer*, and found dating boys much more confusing than many of her friends did. As she grew older, so did her fears and a deep sense of unbelonging. From her first communion to her first girlfriend via a swathe of self-denial, awkward encounters, and everyday courage, Ellie tells her story through gorgeous illustrations—a fresh and funny self-portrait of a young woman becoming herself. *The Times I Knew I Was Gay* reminds us that people sometimes come out not just once but again and again; that identity is not necessarily about falling in love with others, but about coming to terms with oneself. Full of vitality and humor, it will ring true for anyone who has taken the time to discover who they truly are.

This adventure novel about survival at sea by Newbery Honor author Gary Paulsen is now available in an After Words paperback edition! David thought he was alone, that the ocean around him was all there was of the world. The wind screamed, the waves towered, and his boat, the twenty-two foot fiberglass FROG, skidded and bucked and, each moment, filled deeper and grew heavier with sea water. David thought surely he was dead at fourteen. His uncle Owen, who had taught him about sailing safely, would be so angry. Owen had died only days ago, his last wish for David to take the FROG out on his own, and sail her beyond sight of the coast, and once there, scatter Owen's ashes.

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

In the land of Kaskilia, a rabbit slave named Maria sows plans for rebellion. To overthrow the murderous cult of Khaytan and the zealous king who spreads its teachings, Maria must rally predator and prey alike by reminding the people of the true faith. Brought together by the goddess Maya herself, Maria finds an unlikely ally in the king's son, Prince Reginald. Maria and Reginald must reconcile their differing visions of an ideal Kaskilia and their growing, forbidden attraction to one another while evading the bloodthirsty Absolvers of Khaytan's Covenant. In a culture where she is seen as little more than food, can Maria find a way to lead her people to freedom without losing her humanity?

Dominick Dunne's mesmerizing tales of justice denied and justice affirmed. For more than two decades, *Vanity Fair* published Dominick Dunne's brilliant, revelatory chronicles of the most famous crimes, trials, and punishments of our time. Whether writing of Claus von Bülow's romp through two trials; the Los Angeles media frenzy surrounding O.J. Simpson; the death by fire of multibillionaire banker Edmond Safra; or the Greenwich, Connecticut, murder of Martha Moxley and the indictment—decades later—of Michael Skakel, Dominick Dunne tells it honestly and tells it from his unique perspective. His search for the truth is relentless.

Abandoned by their artist mother at the age of 12, Bean and her older sister, Liz, are sent to live in the decaying antebellum mansion of their widowed uncle, where they learn the truth about their parents and take odd jobs to earn extra money before an increasingly withdrawn Liz has a life-shattering experience.

El Castillo de Cristal es la historia conmovedora de una familia que ama y que también abandona, que es leal y al mismo tiempo decepciona. Su lectura no dejará indiferente a ningún lector que se atreva con ella. Algunas pocas veces en la vida nos encontramos con libros excepcionales. Libros que se nos van imponiendo lentamente, que nos envuelven con su magia y que se instalan en nuestro corazón para no irse más. Así es la historia que nos cuenta Jeannette Walls, una exitosa periodista que durante muchos años ocultó un gran secreto. El de su familia. Una familia al mismo tiempo profundamente disfuncional y tremendamente viva, vibrante. El padre, Rex, es un hombre carismático y entusiasta, que logra transmitir a sus hijos la pasión por vivir. Les enseña física, geología, les cuenta historias. Pero Rex es alcohólico, y cuando está borracho se convierte en una persona destructiva y poco de fiar. La madre es un espíritu libre, una pintora muy orgullosa de su arte que aborrece la idea de una vida convencional y que no está dispuesta a asumir la responsabilidad de criar a sus cuatro hijos. La familia Walls es una familia errante. Viven aquí y allá y sobreviven como pueden. Los niños aprenden a cuidar de sí

mismos, se protegen unos a otros, y finalmente consiguen salir del círculo infernal en que se convierte la familia para marcharse a Nueva York. En el camino quedan noches donde duermen al aire libre en el desierto, pueblos donde acuden por una semana a la escuela, vecinos que los ayudan y abusos de todo tipo. Una historia transformadora sobre la locura, la pobreza y el amor. Uno de esos libros después de cuya lectura uno no puede permanecer igual, sino que sale cambiado para siempre. Reseñas: «Un libro excelente... Walls tiene verdadero talento para contar historias.» Publishers Weekly «Walls ha pasado a formar parte de ese excepcional grupo de escritores como Mary Karr y Frank McCourt (Las cenizas de Ángela), capaces de transformar sus memorias de una infancia terrible en excelente literatura.» People «Walls recibió el mejor regalo que se le puede hacer a una escritora: una familia disfuncional empaquetada con excentricidades. [...] Caballos salvajes es el cuento de otra sardónica pariente de espíritu libre: su abuela materna Lily Casey Smith». USA Today (Sobre Caballos salvajes)

The writer and actress explore her childhood and youth, which was largely defined by her father's struggle with hoarding.
