The Good Mother is a gripping story about three women who are keeping major secrets from everyone around them. Kate is lonely and underappreciated, she needs a confidence boost and something to give her purpose.

My 5* review for The Good Mother, an absolutely gripping story by Karen Osman, a new Author for me, but one I will now read more of. The story is about 3 women : "Catherine is a good mother and a good wife, but when she starts writing to Michael, a prisoner convicted of murder, she finds herself obsessing about his crime and whether he can ever truly be forgiven...

Kate, the good mother of the title, has been abandoned by her husband, Nick, who has gone off to live with his young girlfriend and new baby. Kate and her three children have to leave the family home, since they can no longer afford to live there, and move back in with Kate's dad in the Village Café.

The Good Mother is a gripping story about three women who are keeping major secrets from everyone around them. Kate is lonely and underappreciated, she needs a confidence boost and something to give her purpose. Catherine is a proud woman, someone who knows what she's doing.
