The Governess: Then and Now - Nanny & Butler International

The Governess

England's Victorian governess reveals that while privately employed, she challenged the idealism of womanhood as a matrimonial and motherly status. The governess, though born a lady and bred with the education and gentility descriptive of any middle-class female, was exiled from the ideal of leisurely womanhood.

The Governess' Examination eBook by Tamsin Taite ...

Victorian governess-mania was as pervasive as it was inexplicable, governesses comprising only a tiny fraction of the population and having little or no ostensible effect on the social, political, or economic landscape.

The Victorian Governess as Spectacle of Pain: A Cultural ...

The Governess is made out of thick black leather and splits which creates two "lips". The leather is stitched on both sides and feels nice. Because of the thickness of the leather and its size of an impressive 50 cm and 10 cm thick, the Victorian Governess has the exact right weight for spanking.

Jay Tests : Cat's Claw, and Victorian Governess Tawse ...

The governess was one of the most familiar figures in mid-Victorian life and literature. The 1851 Census revealed that 25,000 women earned their living teaching and caring for other women's children. Most governesses lived with their employers and were paid a small salary on top of their board and lodging.
