If you plan to download and install the The Grace Of God Andy Stanley, it is utterly simple then, before currently we extend the colleague to purchase and make bargains to download and install The Grace Of God Andy Stanley appropriately simple!

EUH056 - JAMIYA LOWERY

Why the call to Love Thy Body? To counter a pervasive hostility toward the body and biology that drives today's headline stories: Transgenderism: Activists detach gender from biology. Kids down to kindergarten are being taught their bodies are irrelevant. Is this affirming--or does it demean the body? Homosexuality: Advocates disconnect sexuality from biological identity. Is this liberating--or does it denigrate biology? Abortion: Supporters deny the fetus is a person, though it is biologically human. Does this mean equality for women--or does it threaten the intrinsic value of all humans? Euthanasia: Those who lack certain cognitive abilities are said to be no longer persons. Is this compassionate--or does it ultimately put everyone at risk? In *Love Thy Body*, bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues. Pearcey then turns the tables on media boilerplate that misportrays Christianity as harsh or hateful. A former agnostic, she makes a surprising and persuasive case that Christianity is holistic, sustaining the dignity of the body and biology. Throughout she entrances readers with compassionate stories of people wrestling with hard questions in their own lives--their pain, their struggles, their triumphs. "Liberal secularist ideology rests on a mistake and Nancy Pearcey in her terrific new book puts her finger right on it. In embracing abortion, euthanasia, homosexual conduct and relationships, transgenderism, and the like, liberal secularism . . . is philosophically as well as theologically untenable."--Robert P. George, Princeton University "Wonderful guide."--Sam Allberry, author, *Is God Anti-Gay?* "A must-read."--Rosaria Butterfield, former professor, Syracuse University; author, *The Secret Thoughts of an Unlikely Convert* "An astute but accessible analysis of the intellectual roots of the most important moral ills facing us today: abortion, euthanasia, and redefining the family."--Richard Weikart, California State University, Stanislaus "Highly readable, insightful, and informative."--Mary Poplin, Claremont Graduate Universi-

ty; author, *Is Reality Secular?* "Unmasks the far-reaching practical consequences of mind-body dualism better than anyone I have ever seen."--Jennifer Roback Morse, founder and president, The Ruth Institute "Love Thy Body richly enhances the treasure box that is Pearcey's collective work."--Glenn T. Stanton, Focus on the Family "Essential reading . . . Love Thy Body brings clarity and understanding to the multitude of complex and confusing views in discussions about love and sexuality."--Becky Norton Dunlop, Ronald Reagan Distinguished Fellow, The Heritage Foundation "Pearcey gets straight to the issue of our day: What makes humans valuable in the first place? You must get this book. Don't just read it. Master it."--Scott Klusendorf, president, Life Training Institute Salvation and grace are instrumental to Christian life and thought. Do we really understand what has been done for us in Christ? A debt that we could not pay has been paid in full! What freedom! In the personable style of this great preacher/teacher, this study focuses on truths about grace.

A growing number of next generation Christians are eager to learn, grow, and lead in ministry or in the marketplace. Mentoring young leaders, as they face the unique issues of a changing world, has been pastor and Visioneering author Andy Stanley's passion for more than a decade. Here, he shares material from his leadership training sessions, developed to address essential leadership qualities such as character, clarity, courage, and competency. This is the perfect guide for any new leader -- or for the mentor of a future leader! Clear, stylish typeset, with user-friendly links to referenced Scripture.

Where do you seek God? Are you waiting for him to appear in a monumental, life-altering event? In *God Moments*, Catholic blogger Andy Otto shows you how to discover the unexpected beauty of God's presence in the story of ordinary things and in everyday routines like preparing breakfast or walking in the woods. Drawing on the Ignatian principles of awareness, prayer, and discernment, Otto will help you discover the transforming power of God's presence in your life and better

understand your place in the world. Andy Otto found God's presence in surprising moments during his life--when, as a Jesuit scholastic, he taught children in Jamaica and also as he discerned the call to marriage with his wife. By combining elements of Ignatian spirituality with the lessons that came from his experiences, Otto identified three practices that helped him find God in all things: Awareness--Gain an understanding that God is present in the ordinary messiness of our lives such as battle with depression or sharing in the struggle of a friend. Prayer--Develop a prayer life using Ignatian practices such as asking for a morning grace and examining how your prayer was answered at the end of the day. That way you can focus on a personal relationship with God that finds everyday physical activities such as making a meal as an opportunity to talk to him. Discernment--The more you are aware of God's presence and draw closer to him in prayer, the better you can learn how to plug into God's narrative of the world in a way that enables you to participate in the divine story through the use of your gifts and talents. With *God Moments* as a guide, you'll have a better understanding of how to seek personal wholeness in the reality of God's presence in the ordinary and learn to accept his invitation to participate in his transformation of the world.

Where Is God? There are never quick fixes or easy answers when it comes to suffering. But even when we can't immediately see God's hand--when the struggle is hard and painful--he is working. Weaving together Scripture, personal stories, and the words of the classic hymn "How Firm a Foundation," David Powlison brings an experienced counselor's touch to exploring how God enters into our sufferings, helping us see God working in our own particular struggles--and discover how God's grace goes deeper than we could ever imagine.

Jesus in My Corner, written by Andy Flute, chronicles his struggle to overcome a myriad of life-long challenges with violence and alcohol. For over 30 years, violence and alcohol were Andy's daily bread until, one day, by the power of prayer, he man-

aged to achieve what no amount of alcohol or prison incarceration could ever achieve. When he was at the point of death, intoxicated with alcohol following a ten-day binging session, I went to see my old mate and prayed for him with Pastor Steve. Andy was fighting the demon of alcohol and he was on the ropes, down for the count. Andy, a former captain of the English boxing team and British Middleweight title challenger alongside sparring partner Chris Eubank and other world class fighters, knew what brutal fighting was all about. This fight was different, one he couldn't win on his own strength. Andy felt the intense grip and destructive downward spiral alcohol had on his life. Battered and bleeding, with no more strength, he cried out to Jesus. In a truly miraculous turnaround, Andy found Jesus in his corner and almost instantaneously gave up alcohol. During the bleakest of moments, he experienced a spiritual awakening. Slowly, he found his way through darkest era of his life. He came to believe a power greater than himself in Jesus. Now with Jesus in his corner, Andy is an active member of Sedgley Community Church. The Bible employs the analogy of wrestling in reference to our warfare with Satan and his hosts. Andy had a fight that only Jesus could referee, this gigantic battle played out until he was baptised in water. Andy Flute's willingness to share the most intimate aspects of his life was born out of a deep desire to help others addicted to alcohol and violence. Despite these daunting events, Andy now works hard to live a normal life and raise a family of his own. He regularly attends prison workshops and shares his testimony in local schools. The Lord has made an amazing transformation in his life, He could do the same for you! His good friend, John Cramphorn

Surely there's more than one way to get to heaven? Bestselling author Andy Stanley addresses this popular belief held even among Christians. But believing that all good people go to heaven raises major problems, Stanley reveals. Is goodness not rewarded, then? Is Christianity not fair? Maybe not, he says. Readers will find out why Jesus taught that goodness is not even a requirement to enter heaven - and why Christianity is beyond fair. Andy Stanley leads believers and skeptics alike to a grateful awareness of God's enormous grace and mercy. Good People Go to Heaven...Don't They? Sure they do. It only makes sense. Actually, it doesn't really make any sense at all. Smart, educated, accomplished men and women everywhere are banking their eternities on a theory that doesn't hold water. Chances are, you've never really thought it through. But

you owe it to yourself to do so. Find out now what's wrong with the most popular theory about heaven—and what it really takes to get there.

Join Max in this challenging new topical Bible study based on his best selling book, "In The Grip of Grace." Excellent for personal, small-group, or classroom settings. Studies on grace.

The Gospel as You've Never Seen It Before! "If Romans isn't one of your favorite books, then you do not have a revelation of the true Gospel!" - Andrew Wommack Nowhere besides the book of Romans is there a more comprehensive explanation of the Gospel. It's Paul's masterful letter to every believer revealing God's plan of salvation by grace-not by the Law. In Romans: Paul's Masterpiece on Grace, renown Bible teacher Andrew Wommack has compiled decades of his personal notes and commentary from his Life for Today and Living Commentary. You will find thousands of insightful truths to give you a firm understanding of the Gospel as Andrew shares... The true meaning of salvation The basics of righteousness by faith Vital Bible teaching you probably have never heard in church You will be blessed and enlightened as Andrew walks you through Paul's letter to you. These truths have been changing lives for thousands of years. Yours is next!

Answers one of the biggest barriers to belief. Christians are increasingly seen as outdated, restrictive and judgmental when it comes to sex before marriage, cohabitation and homosexuality. In fact for many people, this issue is one of the biggest barriers for them considering Christianity. Sam Allberry, author of many books including Is God Anti-gay sets out God's good design for the expression of human sexuality, showing that God himself is love and that only he can satisfy our deepest desires. It is a great reminder of the Bible's positive blueprint for love, sex and marriage and ideal for giving away to people who may see this as a stumbling block for belief.

Good Enough for God? Recent surveys indicate that the vast majority of Christians, those claiming to be born-again, believe that their salvation is at least in part dependent upon their behavior and actions. Yes, they believe Jesus died for their sin, but once they accept Him as their savior, they believe they must still meet a certain standard to be "good" enough. If that is true, then what is that standard and how do you know when you have met it? The Church has tried to answer these questions for centuries and it always results in religious and legalistic bondage. So what

is the answer? It begins by asking the right question. It is not, "What must we do?" but rather, "What did Jesus do?" By understanding the Apostle Paul's revelation of what Jesus did from the book of Romans, you will never again wonder if you're meeting the standard.

Jesus was born in Bethlehem, but why Bethlehem? Why should God purpose to become man somewhere so marginal, so insignificant? This book follows the unfolding story of Bethlehem through the Bible, from the death of Rachel to the birth of Jesus, uniquely combining four perspectives: a) the Bible as one developing story, b) the Bible as a Middle Eastern book, c) insights from contemporary Palestinians from Bethlehem, and d) what this means for mission. Suffering Rachel, refugee Rahab, vulnerable Ruth, overlooked David all have a connection with Bethlehem. If Bethlehem shelters refugees, then so must we. If Bethlehem welcomes strangers, so must we. If Bethlehem weeps at injustice, and takes a stand against empire, so must we. What we see in Bethlehem's story, we apply to our own stories. We enter into Bethlehem's story with as much cultural and geographical colour and flavour as we can muster in order to feel the crises, taste the dust, hear the lambs bleating on the hillside. And there we find the Christ-child, son of David, the Good Shepherd, Lion of Judah, Bread of Life, Lamb of God, fulfilling all the recurring themes, taking his inevitable place as rightful king.

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In Irresistible, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so irresistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith mod-

eled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

The amazing memoir of astronaut Bill Pogue, long-time holder of the world record for most days in space. Praise from the experts... "Bill Pogue has had an amazing career: Oklahoma farm boy, Korean war fighter pilot, elite Thunderbird slot and wingman, mathematical whiz, and eighty-four days of science studies as a Skylab astronaut. He guides the reader through a half-century of technological advance, always in the forefront, but modestly so." - Mike Collins, Command Module Pilot, Apollo 11 "Bill has had a remarkable life, and his autobiography is a pleasure to read. He is a superb storyteller." -Alan Bean, Apollo 12 Astronaut, Fourth Man to Set Foot on the Moon "Bill Pogue successfully coped with the challenges of career and life, and he relates them in a captivating narrative. My memory is consistent with his recollections. Thanks for some pleasant memories. Well done!" -Ed Gibson, Science Pilot, Skylab 4 "This is one of the two best memoirs ever written by an astronaut. He packages his adventure-filled life into easy-to-read, inspiring tales that move swiftly." -Walter J. Boyne, Author/Historian; Former Director, National Air & Space Museum; Enshrinee, National Aviation Hall of Fame "A country boy from the heartland of America surpasses his wildest dreams in aviation and space. It makes me proud to know this country can produce such patriots, aviators, and space explorers." -Ed Buckbee, NASA Public Affairs for Wernher von Braun; Founder, U.S. Space Camp "Bill is a superb writer who has lived a very special life. I'm grateful he is sharing his experiences with us. He is a great pilot, an excellent astronaut, and an outstanding representative of our nation." -Jerry Carr, Commander, Skylab 4

CBA BESTSELLER • Break free from the destructive power of guilt, anger, greed, and jealousy. Includes a six-week discussion guide. "Andy Stanley touches the right nerve at the right time."—Shaunti Feldhahn, bestselling author of *For Women Only* and *For Men Only* Divorce. Job loss. Estrangement from family members. Broken friendships. The difficult circumstances you are dealing with today are likely being fed by one of four emotional forces that compels you to act in undesirable ways,

sometimes even against your will. Andy Stanley explores each of these destructive forces—guilt, anger, greed, and jealousy—and how they infiltrate your life and damage your relationships. He says that, left unchallenged they have the power to destroy your home, your career, and your friendships. In *Enemies of the Heart*, Andy offers practical, biblical direction to help you fight back, to take charge of those feelings that mysteriously control you, and to restore your broken relationships. Previously released as *It Came from Within* Everybody ends up somewhere in life. Wouldn't you like to end up somewhere on purpose? What breaks your heart? What keeps you up at night? What could be that should be? Andy Stanley believes these questions are bread crumbs that lead to the discovery of personal vision. With down-to-earth practicality, Andy extracts principles from the story of Nehemiah to help you discover your purpose in life. Visioneering includes helpful exercises and time-tested ideas for visionary decision-making, personal growth, and leadership at home and at work. Catch a glimpse of God's incredible vision for your life, relationships, and business—and discover the passion to follow it. Includes discussion guide for use in small groups.

This small book, which can be read in about an hour, shows how God's grace is the foundational theme and primary message of all of Scripture. Part of the *A Book You'll Actually Read* series.

The resurrection of Jesus is at the heart of the Christian faith, bringing God's power - which will some day heal and renew the world - into our lives now. That power is here only partially, but substantially; and this gives Christians a realistic, but irrepressible, hope. It is a hope for change in our lives and in our society; a hope that changes Christians in every way, shaping every aspect of our lives. But it is only together with the cross that we see the particular way resurrection hope shapes us. We are delivered by a Saviour who triumphed through weakness and loss; who came to riches through becoming poor; and to exalted life through the experience of death. And having coming to new life by admitting our own weakness and inability to save ourselves, we live the rest of our lives according to this pattern: the way up is to go down; the way to true power and influence is to serve; the way to be truly rich is to give all we have; the way to real happiness is to work for the happiness of others. Hope in *Times of Fear* unlocks the meaning of both the cross and Jesus' resurrection. Here the central message of the Christian faith is revealed - with unshak-

able belief, piercing insight and a profound message of hope for the world.

With *Playing God*, Andy Crouch opens the subject of power, elucidating its subtle activity in our relationships and institutions. He gives us much more than a warning against abuse, though. Turning the notion of "playing God" on its head, Crouch celebrates power as the gift by which we join in God's creative, redeeming work in the world.

"I've tried to be the perfect person God expects me to be, but I just can't, I give up." "I know God loves me, but it seems like He never answers my prayers." "I do everything the Bible says I should, so why hasn't God blessed me like He promised?" "Is God schizophrenic? The Bible is full of nothing but contradictions." Questions and comments like these compelled Andrew Wommack to introduce the profoundly simple concepts found in this book. Often, human perspective and the mechanics of Christianity eclipse *The True Nature of God* - the God who wants nothing more than to share an intimate friendship with His children. If you're wondering who God is or if He cares, let Andrew show you *The True Nature of God*.

In the bestselling tradition of *Inside of a Dog* and *Marley & Me*, a smart, illuminating, and entertaining read on why the dog-human relationship is unique--and possibly even "spiritual." Dr. Andrew Root's search for the canine soul began the day his eight-year-old son led the family in a moving Christian ritual at the burial service for Kirby, their beloved black lab. In the coming weeks, Root found himself wondering: What was this thing we'd experienced with this animal? Why did the loss hurt so poignantly? Why did his son's act seem so right in its sacramental feel? In *The Grace of Dogs*, Root draws on biology, history, theology, cognitive ethology (the study of animal minds), and paleontology to trace how in our mutual evolution, humans and dogs have so often helped each other to become more fully ourselves. Root explores questions like: Do dogs have souls? Is it accurate to say that dogs "love" us? What do psychology and physiology say about why we react to dogs in the way that we do? *The Grace of Dogs* paints a vivid picture of how, beyond sentimentality, the dog-human connection can legitimately be described as "spiritual"--as existing not for the sake of gain, but for the unselfish desire to be with and for the other, and to remind us that we are persons worthy of love and able to share love. In this book for any parent whose kids have asked if they'll see Fido in Heaven, or who has looked their beloved dog in the

face and wondered what's going on in there, Dr. Root delivers an illuminating and heartfelt read that will change how we understand man's best friend.

Struggle--of both the small and staggering sort--is woven throughout all our lives. It can erode our faith, strip us of hope, rob us of joy, extinguish our vitality, and diminish our capacity to love. But because God is always present and at work, seeds of redemption lie as hidden treasure buried in the ground of struggle. By taking a deeply human look at various figures in the lineage of Jesus in Matthew 1, Andy White shows us that the people we once may have considered unlike us because of thousands of years of separation suddenly come close in their pain, loss, and failures. He, too, comes close as a man who has faced hardships, to offer others a hand when their feet are unsteady. By digging into the lives of these biblical sojourners, White unearths hidden treasures, guides readers on a journey of self-discovery, and points the way forward, showing us ways to cultivate tenacious hope, stronger faith, and greater capacity to live and love as participants in God's ongoing redemption story.

God works in mysterious ways. His ways and thoughts are so much higher than our own that we often get confused and are sometimes overwhelmed, thinking He has left us alone in our circumstances. As you read this book and follow the zigzag life of a man who has always loved straight lines, you will discover God's invisible hand made visible. There will be no denying that God loves the Keusals and has worked for their good, molding them for the work of His kingdom. Their story will touch you deeply and prepare you for the adventure that awaits all those whose lives are in His hands.

•SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR AWARD 2022• 'How doping killed cycling's 'golden boy'. A shocking, clear-sighted and sympathetic account of a talent destroyed by drugs.' The Times 'Sensitive yet compelling.' The Observer They called him God. For his grace on a bicycle, for his divine talent, for his heavenly looks. Frank Vandenbroucke had it all, and in the late nineties he raced with dazzling speed and lived even faster. The Belgian won most of cycling's most prestigious races, including Liège-Bastogne-Liège and Paris-Nice, enthraling a generation of cycling fans. Off the bike, he only had one enemy - himself. His rise to prominence coincided with a rampant period of doping and Vandenbroucke had a wayward streak. He regularly fell out with team managers and had all-night party sessions mixing sleeping pills

and alcohol. A drugs scandal started a long fall from grace, leading to addiction, car crashes, court appearances, marital problems and suicide bids, punctuated by sporting comebacks. His life was like a soap opera and its premature ending shocked many. In October 2009, aged thirty-four, Vandenbroucke was found dead in a Senegalese hotel room - in mysterious circumstances. Led by candid contributions from his closest family, friends and associates, William Hill award-winning author Andy McGrath lays bare Vandenbroucke's turbulent life story. God is Dead is the compelling biography of this mercurial cycling prodigy. - 'With his talent, Frank is the Johan Cruyff of cycling. He could win anything.' Eddy Merckx, FIVE TIMES WINNER OF THE TOUR DE FRANCE 'Captures the charisma and chaos of Vandenbroucke's short life perfectly.' Cyclist 'A cautionary tale. Gripping yet harrowing.' Bikeradar

A stunningly innovative visual edition of this award-winning book---designed to appeal to spiritual seekers and visually oriented readers. Philip Yancey's What's So Amazing About Grace? won the Book of the Year Award in 1998 and has sold over one million copies since it was first published in 1997. Now this innovative visual edition uses the life-transforming content of Yancey's message and makes it accessible to a whole new audience. This visually rich book takes portions of the text of the original book and illustrates the themes and messages with provocative full-color photography and graphic illustrations. The creators of this visual edition designed it with the needs of contemporary postmodern readers in mind: both spiritual seekers and the younger, more visually oriented readers of today's culture. By combining Yancey's engaging style with striking images that enhance and illuminate the message, this unique book enables readers to 'experience grace' as they interact with the powerfully imaginative format. With deep personal honesty Yancey paints true portraits of grace's life-changing power as he searches for its presence in his own life and the life of the church. He explores grace---God's love for the undeserving---while challenging Christians to become living answers to a world that desperately wants to know: What's so amazing about grace?

Nothing provides the true follower of Christ with more profound and enduring satisfaction than turning from the limitations of self and this world to the unfathomable fullness of the living God. Nothing so directly affects the study of Scripture as one's understanding of what lies behind

the little word "God." Nothing calls for such an entire consecration of the mind, heart, and will of the student as the study of this eternal Being, who is the cause and reason for all things. Nothing holds more practical value for the Christian than the realities of God's perfection. For twelve weeks, Behold Your God: The Weight of Majesty guides the reader through passages that reveal God's perfections: His incomprehensibility, self-existence, independence, transcendence, immutability, infinity and eternity, omnipresence, omnipotence, omniscience, wisdom, sovereignty, righteousness, holiness, wrath, goodness, love, patience, and zeal. The aim of this study is to provide the student with a tool for vastly enlarging his or her understanding of God in a manner that enlightens the mind, captivates the heart, and re-directs the will. Behold Your God: The Weight of Majesty is designed for individual or group study. This workbook may be studied alone, but is intended for use with a companion set of thirteen DVDs which reinforce the lessons of each week. God truly is a "sea without a shore, a sun without a sphere." Each of us stands before the boundless immensity of God's majesty. He commands us to know Him. He has provided all that we need to know Him through the redemptive labors of His Son, the illuminating work of the Spirit, and the Bible. A.W. Tozer wrote only the truth when he stated that God "can show a new aspect of His glory to us each day for all the days of eternity, and we have but begun to explore the depths of riches of His infinite being."

"Grace. It's what we crave most when our guilt is exposed. It's the very thing we are hesitant to extend when we are confronted with the guilt of others—especially when their guilt has robbed us of something we consider valuable. Therein is the struggle, the struggle for grace. It's this struggle that makes grace more story than doctrine. It's the struggle that reminds us that grace is bigger than compassion or forgiveness. That struggle is the context for both. When we are on the receiving end, grace is refreshing. When it is required of us, it is often disturbing. But when correctly applied, it seems to solve just about everything. This struggle is not new; it has been going on since the beginning." —Andy Stanley We find in the pages of Scripture that the stories found there often mirror our own stories, and that we too need the very thing we do not deserve: the grace of God. From the beginning, the church has had an uneasy relationship with grace. The gravitational pull is always toward graceless religion. The odd thing is that when you read the New Testament,

the only thing Jesus stood against consistently was graceless religion. The only group he attacked relentlessly was graceless religious leaders. Even now as you think about grace, there might be a little voice in your head whispering, "It can't be that easy!" "What about obedience?" "What about disobedience?" "What about repeated misbehavior?" "What about bad habits?" "What about justice?" "What about repentance?" It's this tension that makes grace so slippery. But that's the beauty and the truth of grace. We don't deserve it. We can't earn it. It can't be qualified. But God gives it to us anyway because he loves us unconditionally. The story of grace is your story. And as you are about to discover grace plays a larger role than you imagine.

What Is God's Grace—and What Does It Mean for You? Grace. It's a word we've heard since the very first step in our faith journey—but do we really believe in God's grace? Grace raises eyebrows. It begs questions. Grace turns everything upside down. The Grace Message invites you to discover the best flavor of Christianity and celebrate the good news of the Gospel to the fullest. Here, you'll learn:

- how to abandon rule-based living and stop trying to measure up
- why your new identity in Jesus matters more than you can imagine
- how you can now enjoy God's New Covenant way of grace

Bestselling author and radio host Andrew Farley's no-nonsense straight talk will awaken you to a revolutionary perspective every healthy Christian should have. Life is too short to miss out on God's best—and what you don't know can hinder you from experiencing Jesus in every area of your life. So if you've been weighed down by ruthless religion, or you've been searching for that high-octane version of the Gospel that you know must be out there somewhere, here it is. This thought-provoking book will challenge you to dismiss the lies you've believed and to make up your own mind about how big God's grace really is. "Andrew Farley shows why the good news is actually great news. This extraordinary, battle-tested message of hope and freedom has a proven track record of transforming lives. The Grace Message is bursting with truth. The love of God practically drips from its pages. Read it and see for yourself!" —Bart Millard, singer/songwriter for MercyMe

"The events of the book of Ruth are like a jeweled cameo woven into the fabric of Israel's chequered background. The account of Ruth's arrival on the pages of God's Word is an interweaving of His grace, His call - so typical of His reaching out to Abra-

ham, Rahab, and to Gentiles - and His purpose. So, during Israel's dull days, she is like a colourful butterfly emerging from a very drab chrysalis. There is no shallow end to the story of Ruth, as depths of despair at the beginning lead on to deepening delight, which causes us to exclaim, "Oh, the depth of the riches both of the wisdom and knowledge of God! How unsearchable are His judgments and His ways past finding out!" Join Bible teacher Andy McIlree in this heart-warming study as, chapter by chapter, he explores the depths of this wonderful Old Testament book, and in particular how Boaz is a picture of the Lord Jesus as our kinsman-redeemer, bridegroom and the Lord of the harvest.

Create a church unchurched people absolutely love to attend. Deep and Wide provides church leaders with an in-depth look into North Point Community Church and its strategy for creating churches unchurched people absolutely love to attend. In it, Andy Stanley explains: His strategy for preaching and programming to both mature believers and cynical unbelievers North Point's spiritual formation model: The Five Faith Catalysts Three essential ingredients for creating irresistible environments How to tackle the challenge of transitioning a local congregation If your team is more concerned with who you are reaching than who you are keeping, the expanded edition of Deep and Wide will be more than a book you read; it will be a resource you come back to over and over! New bonus content includes a study guide, church staff helps, and an interview with Andy on the most frequently asked questions about Deep and Wide.

You'll Never Make a Decision the Same Way Again Should I take this job? Buy this house? Marry this person? We ask questions every day about the choices we face. But are we asking the most important question of all? In *Ask It*, Andy Stanley identifies the one question that makes it easy to determine the answer to all other questions. You'll learn how to make decisions with confidence simply by applying the question that brings clarity to life's most challenging decisions.

For anyone who is dating or thinking about marriage, pastor and bestselling author Andy Stanley shares practical, uncensored wisdom on avoiding mistakes in the present to help you avoid regrets in the future. Single? Looking for the "right person"? Convinced that if you met the "right person" everything would turn out "right"? Think again. In *The New Rules for Love, Sex, and Dating*, Andy Stanley explores the challenges, assumptions, and pitfalls associated with dating in the twenty-first century. This guide takes a fresh approach

to dating and love in the modern era by turning the search for "the one" back onto the searcher, challenging you to ask yourself tough questions like: Am I the person that the person I'm looking for is looking for? Are the Bible's teachings about women relevant today? If sex is only physical, why is the pain of sexual sin so deep? As you dig deep into Stanley's answers, you'll be equipped and empowered to step up and set a new standard for this generation by uncovering the things that create trouble in dating relationships and creating better habits now that will pay off later as you dive into married life. Praise for *The New Rules for Love, Sex, and Dating*: "No one speaks more powerfully and practically into the issues of dating and marriage in the twenty-first century than Andy Stanley. *The New Rules for Love, Sex, and Dating* is an exceptional resource for anyone seeking to navigate challenging relationship waters and survive in a culture that's confused and complex. Straightforward. Graceful. Truthful. Needed." --Louie Giglio, Passion City Church, Passion Conferences "Andy's new rules for love, sex, and dating are so wise, so compelling, so clear that I want every single friend I have to read this book, and I want to save a couple copies for my boys, so they can read it in a decade or so." --Shauna Niequist, author of *I Guess I Haven't Learned That Yet* "Having experienced more than my fair share of destructive, harmful dating relationships, I can authoritatively say that Andy's views on the matter are clear and convicting. Andy so beautifully conveys the message of the unfathomable grace of God, leaving you free to turn a leaf and begin a new dating chapter, making better decisions and living with fewer regrets." —Maggie Bridges, Miss Georgia 2014

Good questions lead to better decisions. Discover five game-changing questions to ask every time you make a decision--questions that will help you in your finances, relationships, career, and more. Your decisions determine the direction and quality of your life. Your decisions create the story of your life. And while nobody plans to complicate their life with bad decisions, far too many people have no plan to make good decisions. This book will help you live differently. In *Better Decisions, Fewer Regrets*, Andy Stanley will help you learn from experience and stop making bad decisions by integrating five questions into every decision you make, big or small. You'll discover how to: Develop a decision-making filter that reveals which choices will likely lead to positive results in your life. Avoid selling yourself on bad ideas and making quick decisions when time is short.

Find truth and clarity in any tricky decision. Improve relationships and heal division through better decisions. Discover the reasons behind your decisions so you can move forward with positive changes. Consider the long-term impact of your choices so you can write a life story worth celebrating. Easily identify any red flags that signal which decisions may result in future regrets. *Better Decisions, Fewer Regrets* will set you up for success in every season of life, for the rest of your life. "Classic Andy--accessible to any of us wanting to change, yet deep enough to challenge you if you think you know the answers." - Max Lucado, pastor and New York Times bestselling author "This is the right book for the right time. We've got some important decisions to make, and this book will help frame the right questions to ask." - Bob Goff, Sweet Maria's husband and New York Times bestselling author "This book is not just a necessary guide to better decisions--it's a handbook for life that is sure to make a difference in yours." - Lysa TerKeurst, #1 New York Times bestselling author "Andy Stanley strikes again! This challenging, practical, and engaging book will help you make better decisions and lead the life you really want." - Ian Morgan Cron, author, *The Road Back to You* "Now is the time to change your choices to regret-proof your future. Andy will show you how." - Levi Lusko, pastor of Fresh Life Church and author

The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace. Living in denial of Jesus' teaching on judgment and holiness, too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self-worth before God. Andy Angel tackles this dysfunctional spirituality head-on, opening up the journey of learning and love into which the living Lord Jesus invites us all. Unpacking the Gospel of Matthew, he encourages us to rediscover the teaching ministry of Jesus in our own lives, and in doing so, to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us.

Abstract theology is overrated, for God can be found in even the most ordinary of things. Jesus used things like a lily, sparrow, and sheep to teach about the kingdom of God. And in the Old Testament, God repeatedly describes himself and his saving work in relation to physical things such as a rock, horn, or eagle. In *God of All Things*, pastor and author Andrew Wilson invites you to rediscover God in this way, too--through ordinary, everyday things. He explores the idea of a material world and

presents a variety of created marvels that reveal the gospel in everyday life and fuel worship and joy in God--marvels like: Dust: the image of God Horns: the salvation of God Donkeys: the peace of God Water: the life of God Viruses: the problem of God Cities: the kingdom of God God of All Things will leave you with a deeper understanding of Scripture, the world you live in, and the God who made it all.

God can do anything, but did you know He has already done everything? Instead of asking the Lord to do something for you - revive you, heal you, bless you, prosper you - accept what He has already done for you through the death, burial, and resurrection of Jesus Christ. God has left you precious promises in His Word and those promises belong to you right now through Christ. As you see for yourself what God has already done for you and in you, your walk with Him will become a joy and an adventure you never thought possible. Your faith in Him will be quickened, your heart encouraged, and your feet firmly set on His pathway of victory.

In this magisterial work, leading cultural critic Mary Eberstadt delivers a powerful new theory about the decline of religion in the Western world. The conventional wisdom is that the West first experienced religious decline, followed by the decline of the family. Eberstadt turns this standard account on its head. Marshalling an impressive array of research, from fascinating historical data on family decline in pre-Revolutionary France to contemporary popular culture both in the United States and Europe, Eberstadt shows that the reverse has also been true: the undermining of the family has further undermined Christianity itself. Drawing on sociology, history, demography, theology, literature, and many other sources, Eberstadt shows that family decline and religious decline have gone hand in hand in the Western world in a way that has not been understood before--that they are, as she puts it in a striking new image summarizing the book's thesis, "the double helix of society, each dependent on the strength of the other for successful reproduction." In sobering final chapters, Eberstadt then lays out the enormous ramifications of the mutual demise of family and faith in the West. While it is fashionable in some circles to applaud the decline both of religion and the nuclear family, there are, as Eberstadt reveals, enormous social, economic, civic, and other costs attendant on both declines. Her conclusion considers this tantalizing question: whether the economic and demographic crisis now roiling Europe and spreading to America will have the inadver-

tent result of reviving the family as the most viable alternative to the failed welfare state--fallout that could also lay the groundwork for a religious revival as well. *How the West Really Lost God* is both a startlingly original account of how secularization happens and a sweeping brief about why everyone should care. A book written for agnostics as well as believers, atheists as well as "none of the above," it will permanently change the way every reader understands the two institutions that have hitherto undergirded Western civilization as we know it--family and faith--and the real nature of the relationship between those two pillars of history. *God's Grace Empowers You To Do The Impossible!* You have probably heard grace defined as God's unmerited favor and that is absolutely true, but it is so much more. Grace is the power that God willingly gives us to help us do what we could never do on our own. When God said to Paul, "My grace is sufficient for you," He was giving Paul His power to be set free from the thorn that was buffeting him. However, Paul had to understand how to use God's grace in order to be set free. In this fresh new outlook on grace, Dr. Larry Ollison shares how to approach the throne of grace with confidence and boldness and find the power to overcome things you could never overcome in your own strength--even works of the flesh. Grace is not a license to sin, but rather it empowers us to be able to say "no" to sin and temptation. In this book you will come away with a deeper understanding of this wonderful gift that God has given to the Church. His free gift of grace is sufficient and more than enough to meet any situation you face.

Popular Bible teacher and host of the Gospel Truth broadcast, Andrew Wommack takes on one of the biggest controversies of the church, the freedom of God's grace verses the faith of the believer. Wommack reveals that God's power is not released from only grace or only faith. God's blessings come through a balance of both grace and faith. Addressing many of the misconceptions believers are taught in the Church today, this book opens up the Scriptures revealing the vital connection between grace and faith. Many believers think they walk in both grace and faith when actually they are misusing one or both of these principles. Wommack addresses: * Some believers willingly sin believing God's grace will cover them, while the blessing of grace is not to sin, but to release guilt and condemnation when they make a mistake. * Other believers think they must "work" their faith by ritualistic prayer, confession, or Bible study. Al-

though all these things are good, Jesus Christ set believers free from works of the law. God wants a relationship where He can communicate directly to each believer. * Grace and faith work together. When

believers receive the unmerited favor or grace of God, they can release their faith without doubt or reservation and receive God's blessings. Andrew Wommack in his

logical, practical style brings believers back on track in their Christian walk through living in the balance of grace and faith.
