The Night Fury is a medium-sized Strike Class dragon that first appeared in How to Train Your Dragon. The Night Fury was originally inspired by a black panther screensaver on one of the story artist's monitors. The image was'striking and electrifying, with those eyes staring out from the darkest black face', says Dean DeBlois.

Cloaking process of the Light Fury. Light Furies possess the ability of seemingly disappearing when they fly through the blasts of their fire. This is, in fact, a form of cloaking that occurs when their skin heats up, which causes their scales to have mirror-like qualities, allowing them to temporarily blend in with their surroundings.
