The Insurgent Archipelago

Mackinlay's book, The Insurgent Archipelago, stands out from the flood of books over the past decade on counterinsurgency because it adds something new to the argument rather than rehashing the decades old views of the older generation of theorists and applying their maxims superficially to Iraq and Afghanistan.

The Insurgent Archipelago by John Mackinlay, 9781849040129, available at Book Depository with free delivery worldwide.

The Insurgent Archipelago is an excellent addition to any military or civilian library. Military Review - LTC Richard A. McConnell. Mackinlay makes a compelling argument for why we need to shift our focus to approaches closer to home. Financial Times. The Insurgent Archipelago is an excellent addition to any military or civilian library.

The Insurgent Archipelago: From Mao to Bin Laden: Amazon ...

'The Insurgent Archipelago is a timely and thought-provoking piece of strategic analysis. Mainly but not exclusively about the fast-changing nature of insurgency brought about by migration and the revolution in global communications, this compelling work ought to be compulsory reading for everyone, from politician to publican and of all ethnic hues in this country and beyond.'

imitation of the book. the insurgent archipelago really offers what everybody wants. The choices of the words, dictions, and how the author conveys the broadcast and lesson to the readers are unquestionably simple to understand. So, later than you quality bad, you may not think correspondingly hard practically this book.

The Insurgent Archipelago is impressive in the effective connections it makes between the ongoing revolution in mass communication, recent mass migratory flows and the evolving nature of contemporary global society. It prominently signals the failure of Western states to come to terms with these aspects of insurgency.

The Insurgent Archipelago

The basis of this seminar will be the arguments outlined in Dr Mackinlay's groundbreaking new book The Insurgent Archipelago, which examines institutional efforts to prevent terrorism and analyses the link between military expeditions to Iraq and Afghanistan and their effect on the social cohesion of European populations that include Muslims from these regions.

The Insurgent Archipelago: Global Insurgency and Domestic ...

This book, The Insurgent Archipelago, is the product of those many years of observation and thought. It is an important book because unusually for the insurgency and counterinsurgency literature which, as I shall describe below, is relatively slow-moving, and repetitive (even static), it has something new to say.
