The Lean Manager: A Novel of Lean Transformation reveals how individuals can go beyond the short-term gains from tools, and realize a deeper, sustainable path of improvement. Full of human moments that capture the excitement and drama of Lean implementation, ...

The Lean Manager: A Novel of Lean Transformation, by lean experts Michael and Freddy Ballé, addresses this critical problem. As we move from what Jim Womack, author, lean management authority, and LEI founder, calls “the era of lean tools to the era of lean management, ... living it. A novel like this comes closest to that experience. As we are progressing on the “lean journey,” companies are maturing from process-improvement toolkits to lean value-stream management, to employee engagement in problem-solving, to aligned culture focused by self-aware leadership on the right business problems. The companies
