With acrostic 'spells' by Robert Macfarlane and beautiful watercolour artwork by Jackie Morris, The Lost Words conjures back to glorious life some natural words fading from us-

age. Published in October 2017, this beautifully illustrated book focuses on words that are moving to the margins of many children's lives and stories - bluebell, dandelion, otter, kingfisher, acorn - and presents ...

The Lost Words is a beautiful book created by Robert MacFarlane and Jackie Morris. It contains not poems, but spells to conjure back certain words which have been 'lost'. The first thing worth noting about this spell book is how alluring it is.

In 2020, The Lost Worlds will be presenting the largest revelation of deleted Soul Reaver content in gaming history. If you haven't already, check out the preview trailer over on YouTube . I'm also announcing The Great Bigfile Hunt , which is a concerted effort to make sure all of the data files from games supported by Soul Spiral are documented properly.

The Lost Words: Spell Songs is a musical companion piece to The Lost Words: A Spell Book, the acclaimed work by authors Robert Macfarlane and Jackie Morris, responding to the removal of everyday nature words from a widely used children's dictionary which grew to become a much broader protest at the loss of the natural world around us, as well as a celebration of the creatures and plants with ...

PRAISE FOR ROBERT MACFARLANE, JACKIE MORRIS, AND THE LOST WORDS FINALIST, WAINWRIGHT

PRIZE "Stylish and melancholy, The Lost Words is a book to savour." -- Wall Street Journal "A sumptuous, nostalgic ode to a disappearing landscape." -- Kirkus Reviews "This union of natural history, poetry, art, and whimsy is, indeed, a truly enchanting all-ages book of life to contemplate, read aloud, and share."

The Lost Words is a very special illustrated collection of spell-poems to rewild the language of children. All over the country, there are words disappearing from children's lives. These are the words of the natural world - Dandelion, Otter, Bramble and Acorn, all gone.

The Lost Words: A Spell Book (public library) was born — an uncommonly wondrous and beguiling act of resistance to the severance of our relationship with the rest of nature, a rerooting into this living world in which, in the words of the great naturalist John Muir, “when we try to pick out anything by itself, we find it hitched to everything else in the universe,” just as each word is ...

The "lost words" of the title are words children used to know - like acorn, bramble, magpie, wren - and these words are the subject of charming acrostic poems coupled with some of the most stunning artwork I have ever seen in a children's book. A lovely book, to be enjoyed by adults and children alike. Just take a big bag to carry it home in :-)

The Lost Word. The last of the symbols, depending for its existence on its connection with a myth to which I shall invite attention, is the Lost Word, and the search for it. Very appropriately may this symbol terminate our investigations, since it includes within its comprehensive scope all the others, being itself the very essence of the science of masonic symbolism.
