### Unforgettable (2017) - IMDb

"To be remembered is a simple thing to do. The fact is, people don't miss others just because they feel like missing them. It's when your absence leaves a vacuum that people miss you. Unforgettable is about creating your own space—a space that would be left bare in your absence."

I lived for 15 years in Los Angeles, and I still can't believe that the handsomest man in the world, Cary Grant, and the greatest performer in the world, Fred Astaire, and Johnny Carson, one after another - they were all in my home at different times. I celebrated my 50th birthday with them. Unforgettable.
