My principle interest is environmental exposure to mycotoxins and for this the book has rather limited use so I was disappointed on receiving it. As is often the case the title is not very revealing of the content; I wish that the title had been something on the order of "Mycotoxins in the Food Chain".

The Mycotoxin Blue Book - Google Books

The Mycotoxin Blue Book owes its existence to the labour and commitment of many contributors to whom I am indeed grateful. I want to particularly acknowledge Professor Lon Whitlow for his support and encouragement. Duarte E Diaz Mycotox-DIGI.indb 5 3/4/2013 11:14:52 AM
