3MEE33 - BRIGHT ALEENA

If Jesus Christ is not God, of the same essence with God the Father and God the Holy Spirit, having all the attributes of the Trinity while on earth as well as while He reigned in Heaven, then we, of all men, are most miserable. And how do we know that He is, and always has been, God from eternity? It is written in the Holy Scriptures. But what if the version of the Bible we read is ambivalent, in one place saying He is co-equal with God, and in another place denying Him one or more of the attributes that are essential to God? Read this book and you will see that all but three of the new ver-

sions are guilty of denying Christ's goodness, sinlessness, omnipresence, omniscience, omnipotence, and a dozen more of the attributes of God. You will see it written in black and white, with exact quotations from eight of the new versions. This important challenge to the trend so evident in the new versions (the despising of the words God-breathed out through the prophets and apostles, and the mixing in of the corrupt wisdom of men), ought to be supported by every one of you who love God and His Word as HB wrote it.

Based on the majority text with lexicon and synonyms English is KJV 6 1/2 x 9 5/8 % Font size: 7

Are the Jewish arguments

against belief in Jesus as mankind's Savior any good? Is Jesus Christ the promised Messiah of the Old Testament's prophecies? Is Christianity derived from ancient Roman or Greek pagan mystery religions? Is the New Testament historically reliable? Was Jesus of Nazareth God according to the New Testament? Did Gnosticism influence Christianity? Since some 185,000 Americans have converted to Judaism according to a 1990 survey, the arguments of such groups as Jews for Judaism against Christianity can't be dismissed lightly. Using solid scholarship and rigorous logic, A Zeal For God Not According to Knowledge defends Christianity against the argu-

ments of its Jewish critics, such as Samuel Levine, Michael Drazin, Tovia Singer, and Hyam Maccoby. This book demonstrates that the New Testament is historically reliable, denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices, shows that Jesus of Nazareth was the promised Messiah based on the Old Testament's prophecies, and proves that the New Testament teaches the Deity of Christ. This book is intended for both Christians perplexed by the arguments of Jewish friends, coworkers, and relatives, and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also.

The Interlinear Hebrew Greek English Bible - Larger Print is the only complete Interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete He-

brew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each origi-

nal word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). Jay P. Green, Sr. (1918-) is Translator and Editor of The Interlinear Hebrew--Greek-English Bible and the translator of the Modern King James Version of the Holy Bible, The Teenage Version of the Holy Bible, and the Literal translation of the Holy Bible. He has written numerous books on textual criticism. The new edition retains the features of the first edition: a minimum of technical terms, solid introductory guidelines in exegetical method, and a valuable presentation of exegetical theory and practice. The new edition is even more ideal for general introductory courses in Old and New Testament,

exegesis courses on specific books, homiletics and preaching courses, and courses focusing on historical topics.

Main Features: The standard Hebrew text, Biblia Hebraica Stuttgartensia, with all necessary variant readings and major textual conjectures in footnotes. The New International Version (North American Edition) as the English parallel text, complete with special indentation and paragraphing, section headings, and footnotes. A grammatically literal, word-for-word translation with English phrases reading in normal left-to-right order for renderings of specific Hebrew words. A complete introduction explaining translation techniques and characteristics of the Hebrew and English texts. A special introduction for the general reader on how to use an interlinear for word studies and learning Hebrew.

More than 300 Bible or New Testament translations, including the popular King James Version, have been produced in English in the past 600 years. These various translations, both obscure and well-known, were undertaken by diligent individuals working either alone or in committees known

to number more than 100. This reference work provides information about the men and women who produced English language translations. Arranged alphabetically by surname, each of the 346 entries includes biographical and vocational information; notes on the various editions produced; samples of their translation; and other pertinent facts. In cases where translations were done by committee, the chairpersons and project initiators are covered. Important anonymous translations are also included.

This unique volume displays the parallel texts of a pair of today's most popular evangelical Bible editions. Together, the New King James Version and New International Version represent the two major approaches to modern Bible translation. The New King James Version, an updating of the renowned King James Version, is technically known as a formal equivalent translation (often referred to as "word-for-word"). This means that scholars rendered the Hebrew, Aramaic and koine Greek of the biblical text into English that is as close as possible to its original meaning. The result is a translation that is particularly valu-

able for careful analysis of the text. The New International Version represents the "thought-for-thought" school of Bible translation (technically known as dynamic or functional equivalent). This method places the priority on the intended meaning of the original vocabulary, adapting it to English syntax and grammar. Such a translation tends to be easier to read and understand. The NKJV and NIV texts are arranged in two columns on each page of the Contemporary Parallel Bible, enabling readers to easily compare the word and phrasing choices made by the scholarly committees that brought these highly regarded translations into being.

Early Alcoholics Anonymous claimed a 75% success rate among "seemingly-hopeless," "medically-incurable" alcoholics who thoroughly followed the original Akron A.A. "Christian fellowship" program. Bill W. and Dr. Bob developed beginning in the summer of 1935. That very simple program was founded on basic ideas from the Bible. This book takes you through the Bible on the principal points AAs studied.

The interlinear is closely connected to translation

work in general. Where translation occurs, there one will find an interlinear in one form or another. What is meant by "interlinear"? An interlinear consists of two parts, the original language text, accompanied by its translated text, above or below the line. Where the "interlinear" text is found next to the original language text (in brackets), the translation could be classified as an interlinear, although strictly speaking, it should be called an "intertext" translation. This Introduction examines the history and development of the interlinear Bible.

Dick B.'s latest exploration of, and report on the solid evidence that early AAs were cured of alcoholism and said so for the first decade after their founding. This title tells HOW. It explains the many reports of religious healings through the ages, the many in or observers of A.A. who proved that they were cured, the myths about God, alcoholism, and "no cure," and the key origins, roots, and elements of the early Akron Christian Fellowship where the cures occurred. A book for believers who know God's power and want to know how it was applied in the healing of alcoholism by

A.A. pioneers

Larger Print Edition! The number one complaint about the Interlinear Hebrew Greek English Bibles by Jay P. Green, Sr. has been the size of the print. This new printing is in a larger print size, much more readable for long hours of study without the eye strain. This has all of the content of the 4 Volume Interlinear Bible Set that has been published since 1985 plus the 2000 New Testament which adds an additional side column with the KJV.. The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or He-

brew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Lit-

eral Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition but in larger print. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the

original languages. Jay P. Green, Sr. (1918-) is Translator and Editor of The Interlinear Hebrew--Greek-English Bible and the translator of the Modern King James Version of the Holy Bible, The Teenage Version of the Holy Bible, and the Literal translation of the Holy Bible. He has written numerous books on textual criticism. Featuring the interlinear text as a third translation, this interlinear Greek and English New Testament sets the New American Standard Bible side by side with the New International Version. It includes a Greek/English dictionary keyed to G/K numbers for easy accessibility to all users, as well as parsing and G/K numbers for each word.

The only complete interlinear Bible available in English--and it's keyed to "Strong's Exhaustive Concordance" Thousands of pastors, students, and laypeople have found "The Interlinear Bible" to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes "The Literal Translation of

the Bible" in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's--Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. - Conveniently includes the entire Hebrew and Greek text of the Bible in one place - Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. FAQ - How large is the type? --7-point

This book makes the Greek New Testament and word studies based on it easily accessible to everyone, all in one volume.

This complete interlinear Bible, available in English, is keyed to "Strong's Exhaustive Concordance." Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes the literal translation of the Bible in the outside column.

In this completely updated revision of an extremely successful book, Stuart provides a step-by-step guide to writing an exegetical paper on the Old Testament. This book takes into account the latest advances in methodology as well as resources. Illustrations.

A quality pew and ministry Bible at a very economical price. - Complete text with subject headings and translators' footnotes.

An ideal reference Bible for pastors, students, and professors, the NIV Greek and English New Testament includes both texts in a unique side-by-side format that allows readers to move easily between Greek and English texts.

This is a companion volume to Greek for the Rest of Us by William D.

Mounce. This book is a guide for English-only readers to understand the language of the Old Testament just enough to work with the Old Testament in more detail and to understand the scholarly literature on the Hebrew Bible. Its specific aims are to aid students to learn (1) why translations differ, (2) how to do Hebrew word studies, (3) what the basics of Hebrew exegesis are, and (4) how to read more advanced Old Testament commentaries with greater understanding. Hebrew for the Rest of Us is set up in a workbook format.

Concordance based on the New international version of the Bible gives complete access to every word of the NIV text as well as to the Hebrew, Aramaic, and Greek terms from which the NIV was translated. Also cross-references some 2,000 key words from the King James version to their NIV equivalents. Annotation copyrighted by Book News, Inc., Portland, OR

The ESV Greek-English Interlinear New Testament features the Greek text laid out word-by-word above an English gloss, making it a helpful resource for all who study the Bible in the original

Greek.

Entire four-volume set in one-volume The only complete interlinear Bible available in English--and it's keyed to "Strong's Exhaustive Concordance" Thousands of pastors, students, and laypeople have found "The Interlinear Bible" to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes "The Literal Translation of the Bible" in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's--- Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek

texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. - Conveniently includes the entire Hebrew and Greek text of the Bible in one place - Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. FAQ - How large is the type? --5-point Providing students of biblical languages with a grammatically literal, word-for-word translation of the Hebrew Old Testament, the 'NIV Interlinear Hebrew-English Old Testament' is a comprehensive four-volume reference work. The English text is the New International Version, complete with special indentation and paragraphing, section headings, and footnotes. The entire preface to this version is included. With the Hebrew text being the 'Biblia Hebraica Stuttgartensia', commonly known as the Stuttgart Bible, the latest critical text is used. All the necessary variant readings (Kethib-Qere) and major textual con-

clusions are included in the footnotes. The interlinear translation is based on the vocabulary of the New International Version so that the Bible student may use the 'Interlinear' to identify the Hebrew word or phrase underlying any portion of the English text and thus gather helpful information for word studies or interaction with linguistically based commentaries. For formal students of Hebrew, whether they are beginning or reviving their studies, the 'Interlinear' provides a word-for-word translation, which is extremely beneficial if a student wants to read large portions of the Hebrew Old Testament without constant reference to lexicons and grammars. Even more important, the 'Interlinear' provides a grammatically literal translation, a feature not found in any previous interlinear translations of the Hebrew text. In this respect, it greatly aids in the first step of exegesis - the identification of nominal and verbal inflections. Other features include a unique format that allows the student to read in the proper English direction of left to right for an English phrase that translates an individual Hebrew word. This overcomes the constant difficulty of reading back-

wards, a problem in most previous Hebrew interlinears. A further complication found in most interlinears is determining where the translation for one word ends and the next begins. To eliminate this confusion, all English words used to translate any one Hebrew word are connected with hyphens. Volume 1, covering Genesis-Deuteronomy, includes full explanations of the format, translation theories and techniques, and textual criticism employed throughout the Old Testament volumes. There is also a special introduction for the general reader on how to use an interlinear for word studies and learning Hebrew. Volume 2 includes Joshua-2 Kings; Volume 3, 1 Chronicles-Song of Songs; and Volume 4, Isaiah-Malachi. The 'NIV Interlinear Hebrew-English Old Testament' is the ideal work for beginning and intermediate students of Hebrew as well as for those ministers and teachers who wish to revitalize their language training..

The purpose of this monograph is to establish the true date of Christ's Crucifixion from the Old and New Testaments, based on Daniel's Seventy-Week Prophecy (Daniel 9:24-27), and in the light

of the historical and the existing archaeological evidence. Numerous authors have written books and articles on this subject, but the present study is self-contained inasmuch as it neither imitates nor complements such studies, but rather goes beyond them to provide a sui generis and exhaustive analysis. The book is primarily aimed at those working in the fields of theology, biblical chronology, history, archaeology, ancient astronomy, and patristics, be they scholars, pastors, teachers, or students, and secondly at Christians in general who, though they might not possess specialist knowledge, wish to receive the word of God in the spirit of humility and godliness practised in apostolic Christianity.

For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dic-

tionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship. Both Greek and Hebrew words are found under each English entry (Vine's separates them). Employs both Strong's and G/K numbering systems (Vine's only uses Strong's). Mounce's accuracy is endorsed by leading scholars.

The NASB - NIV Parallel New Testament, from renowned British scholar

Alfred Marshall, offers renowned biblical text analysis through comparison of the original and modern languages.

Unique all in one, easy to use, interlinear New Testament for the dedicated Christian to translate the original Greek word of God for themselves - all in a comfortable-to-read 9 point readable font. + Side-by-side, full sample translations of the top 11 English Bibles for quick reference such as NASB, KJV, NLT, AMP, ASV etc + Strong's Greek Dictionary and numbers included for easy reference + Pronunciation guide of every word term to accelerate learning Biblical Greek + Transliteration devoid of opinion to enable direct access to the Word of God + The full Alexandrian Bible text reflecting the oldest extant manuscripts + Ample extra space for personal note taking. We commend this all-in-one Greek-English to Christians everywhere to facilitate, accessible direct encounter with God's Holy Word, as unimpeded as possible by the intermediary of translator bias in opinion or translation.
