The Power Of Everyday Politics

The Power of Everyday Politics: How Vietnamese Peasants Transformed National Policy: Benedict J. Tria Kerkvliet: 9780801443015: Books - Amazon.ca

The Power of Everyday Politics a political history and ethnography of local resistance to the national policy of collectivized farms, tracing their formation in the 1950s, enlargement during wartime in the 1960s and 1970s, and eventual collapse in the 1980s.

The Power of Everyday Politics is an authoritative account, based on extensive research in Vietnam's National Archives and in the Red River Delta countryside, of the formation of collective farms in northern Vietnam in the late 1950s, their enlargement during wartime in the 1960s and 1970s, and their collapse in the 1980s. As Kerkvliet shows, the Vietnamese government eventually terminated the system, but not for ideological reasons.
