Prologomena to the History of Ancient Israel by Julius ...

In the study of systematic theology, prologomena refers to the study of preliminary matters that are necessary to "set up" the formal theological study. These issues might include how the theological study will be conducted, how we acquire knowledge and arrive at truth, the theological system or tradition that will govern the study, and the sources that will be considered authoritative.

Prologomena to the History of Ancient Israel Julius Wellhausen. Available in PDF, epub, and Kindle ebook, or read online. This book has 556 pages in the PDF version, and was originally published in 1885. Description. A critical investigation into Old Testament history and the composition of the Hexateuch. Prologomena to Any Future Metaphysics: Study Guide ...

Prologomenon is the singular and "prologomena" is the plural of this scholarly word, though people sometimes mistakenly interpret "prologomena" as the singular. The word, which comes from the Greek verb prolegein ("to say beforehand"), first appeared in print around 1652. It has appeared in the titles of noteworthy scholarly and philosophical works, but it has never been as common in general use as its older cousin "prologue."

Prolegomena, however, are designed for preparatory exercises; they are intended rather to point out what we have to do in order if possible to actualise a science, than to propound it. They must therefore rest upon something already known as trustworthy, from which we can set out with confidence, and ascend to sources as yet unknown, the discovery of which will not only explain to us what we knew, but exhibit a sphere of many cognitions which all spring from the same sources.
