Georgie Lee continues her Business of Marriage series with The Secret Marriage Pact, a friends--to-lovers story which reunites two childhood friends after almost a decade apart. Jane Rathbone and Jasper Charton were almost inseparable as children, but the nine years Jasper has spent in America have changed him and he has returned home a troubled man, weighed down by guilt he is unable to shake off and secrets he is unable to share.

The secret marriage pact is a clandestine agreement signed in Braavos about a decade before the start of the War of the Five Kings, forging an alliance between House Martell of Dorne and the exiled House Targaryen. Its purpose was to aid in the overthrow of King Robert I Baratheon and restore House Targaryen to the Iron Throne.
