Tracey Hoover examines the legends and traditions that inspired Julie Cuccia-Watts' Ancestral Path Tarot deck. The book highlights the paths that readers may travel along to discover the teachings of our ancestors.

What if whales and dolphins truly do have a superior intellect, as many believe, and can speak to the human race? What would their message be? In November 2008, gifted clairvoyant Patricia Cori was in Jordan teaching a workshop when a life-changing event occurred. A community of Cetaceans—"a choir of whales and dolphins," as she describes it—interrupted her talk with a frantic plea for help. Cori was suddenly wit-

ness to a devastating scene of suffering, a communal grieving of scores of whales and dolphins "frenzied, lost, and dying." This was the first of several terrifying calls for help, all of which were immediately followed by mass suicide events as these majestic creatures collectively chose to leave us and our planet. These troubling incidents evolved into the stream of messages for humanity that Cori reveals in this extremely timely work. The whales and dolphins present their deep understanding of our urgent global situation, calling for the human race to restore balance to our ecosystems—especially our dying oceans. For the first time, we read the communications of the Cetaceans and their story of devotion and celebration of life on the

Great Planet Earth. We are also given a glimpse of their role in the unfolding of galactic events throughout our solar system, and the message is clear: We must wake up and realize that our continued abuse of the environment is altering the course of Gaia's progression to the next dimension. Without the whale and dolphin song—without these musicians who hold the oceans in balance—we risk our advancement through the ascension process for which our entire solar system is destined. Before We Leave You is a roadmap to that higher future and a pathway to global transformation. ***NOTE: ELECTRONIC VERSION OF THIS TITLE DOES NOT INCLUDE THE CETACEAN MEDITATIONS CARDS INCLUDED IN THE REGULAR

PRINTED VERSION.

The Starseed Dialogues is a clear and concise compilation of questions Patricia Cori has received from readers, which she then turned over to the Speakers of the Sirian High Council for answers. Cori is among many who predict that life on Earth will change dramatically after December 2012, as we ascend into a fourth dimension beyond spacetime. What will happen to us as we approach the point of ascension? Does ascending in the light body hurt? This book answers these questions and many others about the direct link between our evolving DNA; the inner world of Agharta; the current earth changes and our shift in consciousness; and the significance of visiting sacred sites such as Stonehenge to receive celestial messages. As always, the Speakers' message rings clear: do not fear what lies ahead, for we are about to experience a glorious transformation of consciousness--and although the prophets speak of doom and destruction, the darkest hours are already upon us. What awaits us is a brilliant new age of truth, light, and beauty.

Many people are drawn to the Pleiades star system as have many ancient cultures

for thousands of years. The Abbotts paranormal specialists explain that 80% of all men and women born since 1971 are Starseeds or ex- Pleiadians. They incarnate with many Pleiadian Off-Planet traits and a strong urge to create Pleiadian conditions here on Earth! Learn about life on the Pleiades Home Worlds from Pleiadian beings and from intriguing channelled messages from the Ascended Masters. The Abbotts add their own unique and easy to understand knowledge that they have gathered as hypnotherapists and clairvoyants. A fascinating book with special knowledge for all Starseeds, ex-Pleiadians and students of esoteric para-sciences.

What do Atlases, Halloween, Atlantis, Subaru, the American Presidential elections, the Petticoat Lane markets in London and the ship Titanic all have in common? Each can be traced to the legends of the Seven Sisters of the Pleiades. Munya Andrews explores legends from North America, Australia, Japan, the Pacific and back through time to Ancient Egypt, India, Greece and South America. No other writer has captured the richness of this mysterious constellation.

The Handbook of UFO Religions, edited by scholar of new religions Benjamin E. Zeller, offers the most expansive and detailed study of the persistent, popular, and global phenomenon of religious engagements with ideas about extraterrestrial life.

Owl Medicine is a narrative non-fiction adventure of self-discovery, inter-personal struggle, and intrigue. The story opens with the author's discovery of a dead owl swinging upside down from a tree. Believing her discovery to be a message that shouldn't be ignored, she seeks insight from a clairvoyant metaphysical 'teacher' with whom she, her husband Karl, and a small group of friends have been studying. The teacher responds with surprisingly little insight and the author strikes out on her own to discover the message of the owl. Owl Medicine is unique because it introduces readers to valuable tools (Runes/Medicine Cards/dream exploration) for spiritual growth, while indulging the simple joy of getting lost in a good story. The single most unique feature of Owl Medicine, however, is its emphasis on the dynamics of Lisa and Karl's spiritual growth as a couple and the crucial role that communica-

tion plays in their success. Owl Medicine is not so much a "how-to" book as it is a "See, this-really-can-be-lived!" affirmation. "Medicine Cards" is a trademark registered to David Carson and Jamie Sams.

The second book in the Sirian Revelations Trilogy explores the wisdom ancient Atlantis can offer contemporary seekers. The lost continent of Atlantis has existed in the collective consciousness of humankind for eons—contemplated as early as 355 BC by Plato and echoing in the modern mind. In this controversial book, author Patricia Cori provides compelling, often startling insights into this lost culture and the lessons it holds for us as both a high civilization and a metaphor for our current world situation, earth changes, growing extraterrestrial phenomena, and government conspiracy theories. Only by embracing and recognizing what Atlantis can teach us, says Cori, can we expect to heal and uplift our own increasingly threatened civilization.

- Presents in-depth teachings and channeled wisdom from the six star nations—the Pleiades, Sirius, Andromeda, Centaurus, Epsilon Eridani, and Lyra
- Reading about your cosmic lineage will trigger the

awakening of ancient memories of your star origin and activate your spiritual DNA

- Includes energy exercises and guided meditations specific to each star nation to help awaken the light codes embedded within you, accelerate your vibrational intelligence, and embrace your inherited starseed gifts

You are a starseed. You carry within you the spiritual DNA of your cosmic family. Eons ago the Pleiadians, along with other star nations, seeded the Earth and their energy is still present. By recognizing your starseed lineage, you can activate your spiritual DNA and awaken the soul attributes that resonate with your star nation. In this spiritual guide, Eva Marquez explains how to discover your starseed lineage and activate your cosmic DNA. She presents in-depth teachings and channeled wisdom from the six star nations: the Pleiades, Sirius, Andromeda, Centaurus, Epsilon Eridani, and Lyra. You will learn about your cosmic family's lives in the stars, their home worlds, and who they are. Pleiadians are soul healers with a frequency of unconditional love. Sirians are knowledge keepers. The Akashic Records and the Library of Light are kept on Sirius B. Andromedans are healers and scien-

tists. They understand the physical matter of the body. Lyrans are the wise elders. They are the grandfathers of the science of DNA and the creators of hybrid star beings. Centaurians are optimistic young warriors who can fix any problem. And Epsilon-nians are master mediators who can easily function in the fifth dimension. They bring logic of the heart and, like Pleiadians, healing to the soul. As you read about the star nations, you will automatically attune to their energies. When you connect with your ancestral star nation, you may experience the sudden awakening of ancient memories and your spiritual DNA will be activated. The author includes energy exercises and guided meditations specific to each star family to help activate your spiritual DNA and awaken the light codes embedded within you. By activating your starseed ancestry and reconnecting to your soul family, you help transform the frequencies of fear into love and reignite the cosmic ascension process.

Sixty thousand years ago, Earth had two more continents than it does today, each larger than what we now know as Australia. Why are they no longer there? One of these additional continents, Atlantis,

was located in the Atlantic Ocean between North America and Africa. The other, Lemuria, was located in the Pacific Ocean. In this book, you'll learn all about these huge continents and the great civilizations who called them home. What did they look like? What was daily life like for them? What happened to them? Tom asks these intriguing questions and many more. The answers revealed on the pages within dig into the mysteries surrounding the continents of Atlantis and Lemuria and their eventual destructions.

Building on the historical perspective that characterized the previous book in the trilogy, *Atlantis Rising*, this final volume asks readers to remember that when they decided "to come to this earth adventure... blowing down the Establishment Walls would be a Herculean task." But, she adds, "Fall they would indeed." Hastening this necessary next step in evolution to higher being, says author Patricia Cori, requires understanding the forces at work and how to challenge and conquer them. *No More Secrets, No More Lies* unmask the lies that have been employed to disempower the human race, while illuminating the tools necessary for those who intend to as-

cent with a revitalized Planet Earth. Intended as a guide for overcoming the designs of the dark warriors, and a blueprint for achieving the absolute freedom that is our true birthright as the super race of the realm, this provocative book brilliantly integrates into a larger schema such issues as media manipulation, racism, dark forces, crop circles, our food and water, and imminent extraterrestrial contacts, with the cosmic unfolding of human awareness and the evolutionary activation of our complex DNA codes—our blueprint to immortality.

If you're reading this, you may be a highly sensitive empath, who is able to pick up -

and even absorb - other peoples' energies. However, many empathic people are 'overwhelmed empaths' (meaning that their high empathy has gone into a state of overdrive.) Here are some signs you are an overwhelmed empath: You feel other peoples' emotions vividly and profoundly, and have trouble shaking off the energies afterwards, even after the other person has moved on. You often have a hard time working out whether you're feeling your own energies and emotions, or someone else's. You have become a hermit and withdrawn socially in order to avoid other people's energies. You cannot visit crowded places such as shopping centres, stadiums, train stations, or nightclubs because the energies are so overwhelming. You feel physical aches and pains, or manifest physical signs of nervousness or sickness, around certain people. When it comes to movies, TV and books, you do not like watching or reading anything that features sad or difficult experiences for the characters. You often find yourself playing the role of counsellor and caretaker in your relationships and friendships, but you find it a draining role to take on. You often wish that other people would follow your advice

and get their lives back on track. Your relationships are a source of obligation and stress, either because you self-sacrifice, have a hard time saying 'no' to people, or take it upon yourself to help others with their problems. You feel like your empath gifts are a curse, and you wish you could be less sensitive. If you resonated with the above statements, the usual advice for empaths that you will find in many books and online articles (such as boundaries, lifestyle adjustments, and shielding visualisations) are NOT effective for you as an overwhelmed empath. They avoid the root causes of the problem - a bit like putting a sticking plaster on an infected wound. Anna is a professional intuitive with a decade of experience working with empathic clients. And in this book, she gives NEW insights to explain the following: The reasons you became an empath in the first place (hint: it usually happens in childhood) and how this is the key to bringing your empath gifts back into balance - and staying there. Why our amazing empath gifts are a key part of our soul's purpose - and how we can integrate them into our lives in a healthy way. What is the 'emotional projection' trap and how it affects you

as an empath. The fascinating link between overwhelming empathy and your past lives. Effective & fast techniques for cleansing your auric field of 5 different types of energy debris that most empaths pick up on a regular basis. Powerful methods for healers, intuitives, counsellors and bodyworkers to keep their aura and work spaces clear of client energies. A quiz to find out which empath gifts you have (out of 8 different types). Overwhelmed empaths: this book will show you how to come back into balance with your amazing empath gifts and integrate them into your life, so that you can be more centered, happy and healthy. AND if you wish, share them with a world where they are sorely needed!

Birds were once considered to be messen-

gers from the Gods to humankind, and the Tarot was once called "...the game of Gods and Birds." Ancient societies all over the World set great store by their Augurs, who were experts at divination by analysis of birds. These magical magician-priests had the skills to interpret the flight patterns and behavior of birds in order to translate the desires of their Deities. Every bird in this beautifully illustrated 78-card deck has been carefully chosen for its relationship to each Tarot card, and uses mythology, folklore, and legend, as well as the natural characteristics of each bird, to underline that connection. We invite you to fly into the world of magic as you learn the secret language of birds. Includes cards and book.

The Galactic Heritage Cards were first introduced in Japan, where hundreds of Lyssa's students have since used them with profound results. **USING THE CARDS:** The overall concept of the cards is to explore the journey from unity to fragmentation/polarity and back to reintegration. Since each of us is part of the same one consciousness, this is a holographic "journey" that unifies us all. The card system uses the holographic concept that we are experi-

encing both unity and separation simultaneously. The components of the cards explore this journey in a variety of ways, including: **SPECIES or STAR SYSTEM:** Twenty-one different species or star systems are represented in the four suits (or time streams) of cards to symbolize the main archetypal groups who have influenced the development of our galactic family. **THEME:** Each card has a theme or lesson that is connected to the civilization it depicts. Contemplative text and deeper commentary are presented for each card to help users understand how to apply this wisdom in their current lives. **ARTWORK:** The architect of these cards, the multidimensional consciousness Germane channeled through Lyssa, also assisted Hong Kong artist David Cow in the channeling of the images. Contemplating the artwork allows more information and energy to be transmitted that goes beyond the text for each card. The art works deeply with the subconscious and adds a powerful dimension to the user's inner work with the cards. In addition to the individual card art, an underlying image spans all the cards when they're laid out on a grid with 18 cards per row. This image represents

our journey back to integration, and thus each card carries an embedded energy of unity even within the uniqueness and "separate journey" of each card. When the final card was channeled, the total number was 108 -- a sacred number in many traditions that reflects the idea of wholeness and completion. GETTING STARTED: In the accompanying booklet we offer more information, the text and commentary for each card, and several recommended spreads to help you get started.

In her debut novel, Patricia Cori weaves her visionary message into a page-turning fantasy adventure that speaks to the very soul of the planet. Within minutes of one another, three bone-chilling events take place around the globe. In Los Angeles, hundreds of blackbirds drop out of the sky, zapped to their death, mid-flight; in Maine,

miles of beach are covered in tens of thousands of dead fish; in New Zealand, 150 whales and dolphins lie dead or dying on the beach. Jamie Hastings, a renowned psychic researcher and telepath, forges a deep soul connection with the dying whales that leads to her troubled journey at sea as a consultant for USOIL, a Texas based oil company that's drilling in the most pristine waters of the Pacific Northwest, looking for oil--or so it seems. A bizarre unfolding of events aboard ship sparks the unraveling of a truly evil plan of a secret government that is intent upon silencing the music of the oceans and destroying all life on the planet. As impossible as it is to imagine anything as sinister as the shadow Jamie faces in her mission to save the earth from the doomsday weapon bearing down on the world, the fact is that it is actually happening, at this very moment, while most of the world is asleep--or simply unaware. One woman has been chosen to be the voice, against the forces of evil, of the cherished creatures of the sea. She is the emissary. The question is: Is there still time for her to stop it?

In July 1996, during an extraordinary out-of-body journey through the Milky Way and other galaxies, Patricia Cori was reconnected and attuned to a group of interdimensional light beings that she and her many readers came to know, through the first Sirian Revelations transmissions, as The Sirian High Council. During her remarkable mission as their Scribe, she has shared the insights of six-dimensional Sirian Light Emissaries through the books and teachings that have transformed readers over the past decades. Now, twenty years from the date of the first transmission, Cori shares new revelations that affirm the veracity of past prophecies and transmit new visions for the human race as we ascend through the outer reaches of the fourth dimension into new levels of conscious awareness and parallel realities as we prepare for our imminent emergence. Called a "real-life Indiana Jones" by fans and readers around the world, Cori is one of the most well-known and established authorities on multidimensional real-

ities that challenge the status quo. Her messages from distant realms empower readers to look at the dark side, to understand it, but to focus on the light for all humankind and the earth. In this new book, the Sirians once again hold us to our responsibility as guardians of this planet, with sound direction and advice for how to get through these shifting sands of our transition. Their discussions delve into many of the most crucial issues of our time, including the merging of human mind and artificial intelligence, exoplanetary migration from the earth and what that means to planets that will receive us, coming clean about cloning, the care and feeding of the human being, and the slipping of time as we know it. As the struggle between darkness and light is being fought at every level, Cori reminds us to take comfort in the fact that the Sirian High Council foresaw and told us how this time of immense upheaval would be the last phase of our passage out of the darkness and into the light of far more illuminated states of being.

Written in the form of a novel, Frabato is the spiritual autobiography of Franz Bardon. Set in Dresden in the early 1930's it chronicles Frabato's magical battles with the members of a powerful and dangerous black lodge. His escape from Germany during the final desperate days of the Weimar Republic and the beginning of his spiritual mission culminating with his classic books on Hermetic magic. More than an occult novel, Frabato the Magician is itself a work of magic which illuminates Bardon's other books as well as providing a revealing look into the dark occult forces which lay behind the rise of the Third Reich. Threaded throughout the true tale, and written between the lines, are many valuable and practical esoteric lessons.
