N50PSS - GUNNER ADELAIDE

Hailed as divine messengers, angels offer help with healing, protection, abundance, and personal guidance. This angel-inspired deck will transport you to a higher dimension where celestial creatures rule with love, strength, and wisdom. Publisher Review: The Tarot of the Angels really surprised me. I love when a deck surprises me. I'm not sure what, exactly, I was expecting, but the title and the rather laid-back art did not prepare me for this thought-provoking guide and useful divination deck. Using the structure and inspiration of the traditional Rider-Waite-Smith deck, the Tarot of the Angels does something most clones don't accomplish—it adds something to the images that enhance the original meanings. This deck

takes the RWS as a starting place and then takes us on a slightly different journey. We see angels, both good and evil, playing different roles. We see how we interact (sometimes unknowingly) with angels or how we channel them as...read more.

What if whales and dolphins truly do have a superior intellect, as many believe, and can speak to the human race? What would their message be? In November 2008, gifted clairvoyant Patricia Cori was in Jordan teaching a workshop when a life-changing event occurred. A community of Cetaceans—"a choir of whales and dolphins," as she describes it—interrupted her talk with a frantic plea for help. Cori was suddenly witness to a devastating scene of suffering, a communal grieving of scores of whales and dolphins "frenzied, lost, and dying."

This was the first of several terrifying calls for help, all of which were immediately followed by mass suicide events as these majestic creatures collectively chose to leave us and our planet. These troubling incidents evolved into the stream of messages for humanity that Cori reveals in this extremely timely work. The whales and dolphins present their deep understanding of our urgent global situation, calling for the human race to restore balance to our ecosystems—especially our dying oceans. For the first time, we read the communications of the Cetaceans and their story of devotion and celebration of life on the Great Planet Earth. We are also given a glimpse of their role in the unfolding of galactic events throughout our solar system, and the message is clear: We must wake up and realize that our continued

abuse of the environment is altering the course of Gaia's progression to the next dimension. Without the whale and dolphin song—without these musicians who hold the oceans in balance—we risk our advancement through the ascension process for which our entire solar system is destined. *Before We Leave You* is a roadmap to that higher future and a pathway to global transformation. ***NOTE: ELECTRONIC VERSION OF THIS TITLE DOES NOT INCLUDE THE CETACEAN MEDITATIONS CARDS INCLUDED IN THE REGULAR PRINTED VERSION.

These beautifully illustrated cards can help you swim into the ocean of your unconscious mind, where profound thoughts and feelings can create, or block, your heart's desire.

The second book in the Sirian Revelations Trilogy explores the wisdom ancient Atlantis can offer contemporary seekers. The lost continent of Atlantis has existed in the collective consciousness of humankind for eons—contemplated as early as 355 BC by Plato and echoing in the modern mind. In this controversial book, author Patricia Cori provides compelling, often startling insights into this lost culture and the lessons

it holds for us as both a high civilization and a metaphor for our current world situation, earth changes, growing extraterrestrial phenomena, and government conspiracy theories. Only by embracing and recognizing what Atlantis can teach us, says Cori, can we expect to heal and uplift our own increasingly threatened civilization.

Crystals, like tarot cards, have for centuries been used for healing and divination. In The Crystal Tarot, the mysterious imagery of tarot and the beauty and power of crystals intertwine to give unique insights into our lives. Accompanied by a book by author and crystal dealer Philip Permutt showing how to lay out the cards for a reading, tarot aficionados will fall in love with the beguiling images, while novice readers will find this an irresistible first deck. Each card image shows a crystal, along with a traditional tarot image,

which enhances its meaning. The High Priestess card, for instance, shows the lapis lazuli crystal, which links with her tarot meaning of spiritual truth and intuition--she guides us to listen to the voice of our true selves. The specially commissioned illustrations are by Emma Garner, artist of the best-selling Art of Tarot. They beautifully blend traditional tarot imagery with crystals: The Sun card has a sun of topaz, and the World card shows the traditional world dancer holding wands of quartz.

* Philip Permutt has a following as a healer and crystal expert, with his books for CICO (The Crystal Healer, The Little Book of Crystal Tips and Cures, and Crystal Chakra Healing) all selling over 55,000 copies each. * Crystals and tarot sets are both top New Age sellers. * The Crystal Tarot will enable you to find answers to the questions in your life, as well as help others.

Spiritual seekers everywhere know it: the world is changing rapidly. The old rules don't apply. The more open we are to guidance the more guidance will come to us. The guidance in this book teaches us how to recognize the interdimensional energies in our 3D world. As governments shift, economies are pruned, and systems fail, here are hopeful instructions for how celebrate the failure of the old as it makes way for the new, how to balance our energy and that of the planet, and how to meet the future which is now.

The first of the pioneering trilogy, *The Sirian Revelations*, offers cosmic wisdom to help humankind realize its highest potential. *The Cosmos of Soul* offers a bracing tonic to the shadow of war, disease, and other grim phenomena of contemporary life. The solution, according to noted clairvoyant Patricia Cori, is to awaken into the richer, more meaningful, and empowered existence that is our true fate.

Through her psychic contacts with more evolved beings, Cori offers timely insights into the ethics of cloning, the dangers of the Internet, the truth about the AIDS virus, genetic engineering, and other information. Of special interest are the author's predictions of what to expect after 2012, the closing of the Mayan Calendar—a time of galactic events that may change life forever. From the Trade Paperback edition.

The perfect accompaniment to *The Keys to the Universe* book, these beautiful cards help seekers on the path of enlightenment. There are 50 keys—48 of which enable readers to unlock the secrets of other realms, such as the animal or natural kingdoms, the elements, archangels and other angelic beings, cosmic masters, and wisdom centers; and two Golden Cosmic Keys, *Hollow Earth* and *Sirius*, which allow attunement to the wisdom of the cosmos. Two cards with specific instructions and explanation for use of the deck are included. Visionary author Patricia Cori and metaphysical artist Alysa Bartha present a true tool of transformation, empowerment, and awakening—a must-have for serious Tarot readers, spiritual seekers, and starseeds everywhere. With *The Sirian Starseed*

Tarot, they bring a new consciousness to the tried and tested realm of the Tarot. many souls who are searching to understand their starseed origins and their purpose in the greater scheme of our cosmic evolution.

Eyewitness accounts of the secrets of the mystery school of the Essenes at Qumran; and Jesus' and Joseph of Arimathea's connection with the Essenes. The information was gained through regressive hypnosis. Owl Medicine is a narrative non-fiction adventure of self-discovery, inter-personal struggle, and intrigue. The story opens with the author's discovery of a dead owl swinging upside down from a tree. Believing her discovery to be a message that shouldn't be ignored, she seeks insight from a clairvoyant metaphysical 'teacher' with whom she, her husband Karl, and a small group of friends have been studying. The teacher responds with surprisingly little insight and the author strikes out on her own to discover the message of the owl. Owl Medicine is unique because it introduces readers to valuable tools (Runes/Medicine Cards/dream exploration) for spiritual growth, while indulging the simple joy of getting lost in a good story. The single most unique feature of Owl Medicine,

however, is its emphasis on the dynamics of Lisa and Karl's spiritual growth as a couple and the crucial role that communication plays in their success. Owl Medicine is not so much a "how-to" book as it is a "See, this-really-can-be-lived!" affirmation. "Medicine Cards" is a trademark registered to David Carson and Jamie Sams.

Work affects most of us at some point in our lives. Work can be a source of growth, connection, and purpose, but too often it is a source of feeling aimless, bullied or manipulated. Sometimes it comes through overarching ambition, striving to climb up the corporate ladder only to find it is leaning in the wrong direction. There are degrees of emotional and physical suffering when we feel anger, misery and unhappiness with unenlightened work. The Enlightenment of Work is about ending that suffering. This book is essential for anyone wishing to: Transform your suffering at work: Suffering can come in many ways. It can come through feeling aimless and bored where the only reason for being there is to collect a salary each month. It can come through stress, overwork and burnout. This book offers a simple philosophy: suffering happens - but we can transform

that suffering. Realise their innate gifts, talents and purpose: Most work disconnects us from knowing our authentic self - our essence or soul. Trust your courage, ideas, intuition, and discover your true self. Reclaim their time: Time is your most precious resource and one you cannot afford to waste. However, many of us work in busy environments that leave little time for real thinking or reflection, or for doing anything very new or interesting. Busy and idle minds can get locked into different forms of anxiety about the past and the future. The changing world of work demands emotional and spiritual intelligence. No one has to stay with work that oppresses the spirit. This new world is about choice. The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amorah Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating

spiritual evolution and stimulating emotional healing.

Luminous 44 card deck with natural and supernatural elements we encounter on our own paths.

The Starseed Dialogues is a clear and concise compilation of questions Patricia Cori has received from readers, which she then turned over to the Speakers of the Sirian High Council for answers. Cori is among many who predict that life on Earth will change dramatically after December 2012, as we ascend into a fourth dimension beyond spacetime. What will happen to us as we approach the point of ascension? Does ascending in the light body hurt? This book answers these questions and many others about the direct link between our evolving DNA; the inner world of Agharta; the current earth changes and our shift in consciousness; and the significance of visiting sacred sites such as Stonehenge to receive celestial messages. As always, the Speakers' message rings clear: do not fear what lies ahead, for we are about to experience a glorious transformation of consciousness—and although the prophets

speak of doom and destruction, the darkest hours are already upon us. What awaits us is a brilliant new age of truth, light, and beauty.

Written in the form of a novel, *Frabato* is the spiritual autobiography of Franz Bardon. Set in Dresden in the early 1930's it chronicles Frabato's magical battles with the members of a powerful and dangerous black lodge. His escape from Germany during the final desperate days of the Weimar Republic and the beginning of his spiritual mission culminating with his classic books on Hermetic magic. More than an occult novel, *Frabato the Magician* is itself a work of magic which illuminates Bardon's other books as well as providing a revealing look into the dark occult forces which lay behind the rise of the Third Reich. Threaded throughout the true tale, and written between the lines, are many valuable and

practical esoteric lessons.

In July 1996, during an extraordinary out-of-body journey through the Milky Way and other galaxies, Patricia Cori was reconnected and attuned to a group of interdimensional light beings that she and her many readers came to know, through the first Sirian Revelations transmissions, as The Sirian High Council. During her remarkable mission as their Scribe, she has shared the insights of six-dimensional Sirian Light Emissaries through the books and teachings that have transformed readers over the past decades. Now, twenty years from the date of the first transmission, Cori shares new revelations that affirm the veracity of past prophecies and transmit new visions for the human race as we ascend through the outer reaches of the fourth dimension into new levels of conscious awareness and parallel realities as we prepare for our imminent emergence. Called a "real-life Indiana Jones" by fans and readers around the world, Cori is one of the most well-known and established authorities on multidimensional realities that challenge the status quo. Her messages from distant realms empower readers to look at the dark side, to unders-

tand it, but to focus on the light for all humankind and the earth. In this new book, the Sirians once again hold us to our responsibility as guardians of this planet, with sound direction and advice for how to get through these shifting sands of our transition. Their discussions delve into many of the most crucial issues of our time, including the merging of human mind and artificial intelligence, exoplanetary migration from the earth and what that means to planets that will receive us, coming clean about cloning, the care and feeding of the human being, and the slipping of time as we know it. As the struggle between darkness and light is being fought at every level, Cori reminds us to take comfort in the fact that the Sirian High Council foresaw and told us how this time of immense upheaval would be the last phase of our passage out of the darkness and into the light of far more illuminated states of being.

Many people have become interested in their Off-Planet lives following the Abbotts' successful book 'Who Are You? Discovering your Cosmic Origins' and they want to know more about the Andromedans and their unique culture. In this amazing book,

you will learn about the Andromedans who incarnated to Atlantis, Ancient Rome and Asia bringing their particular traits and skills to build these ancient empires. Are you an Andromedan? Written in The Abbotts' easy to understand style and with channelled messages from Off-Planet Beings, you will be intrigued and illuminated by the descriptions of Andromedan life, psychic skills and the easy solutions to your own problems! Easy reading. Fully illustrated.

Building on the historical perspective that characterized the previous book in the trilogy, Atlantis Rising, this final volume asks readers to remember that when they decided "to come to this earth adventure... blowing down the Establishment Walls would be a Herculean task." But, she adds, "Fall they would indeed." Hastening this necessary next step in evolution to higher being, says author Patricia Cori, requires understanding the forces at work and how to challenge and conquer them. No More Secrets, No More Lies unmasks the lies

that have been employed to disempower the human race, while illuminating the tools necessary for those who intend to ascend with a revitalized Planet Earth. Intended as a guide for overcoming the designs of the dark warriors, and a blueprint for achieving the absolute freedom that is our true birthright as the super race of the realm, this provocative book brilliantly integrates into a larger schema such issues as media manipulation, racism, dark forces, crop circles, our food and water, and imminent extraterrestrial contacts, with the cosmic unfolding of human awareness and the evolutionary activation of our complex DNA codes—our blueprint to immortality.

The Galactic Heritage Cards were first introduced in Japan, where hundreds of Lyssa's students have since used them with profound results. **USING THE CARDS:** The overall concept of the cards is to explore the journey from unity to fragmentation/polarity and back to reintegration. Since each of us is part of the same one consciousness, this is a holographic "journey" that unifies us all. The card system uses the holographic concept that we are experiencing both unity and separation simultaneously. The components of the cards explore this journey in a variety of ways, including: **SPECIES** or **STAR SYSTEM:** Twenty-one different species or star systems are represented in the four suits (or time

streams) of cards to symbolize the main archetypal groups who have influenced the development of our galactic family. **THEME:** Each card has a theme or lesson that is connected to the civilization it depicts. Contemplative text and deeper commentary are presented for each card to help users understand how to apply this wisdom in their current lives. **ARTWORK:** The architect of these cards, the multidimensional consciousness Germane channeled through Lyssa, also assisted Hong Kong artist David Cow in the channeling of the images. Contemplating the artwork allows more information and energy to be transmitted that goes beyond the text for each card. The art works deeply with the subconscious and adds a powerful dimension to the user's inner work with the cards. In addition to the individual card art, an underlying image spans all the cards when they're laid out on a grid with 18 cards per row. This image represents our journey back to integration, and thus each card carries an embedded energy of unity even within the uniqueness and "separate journey" of each card. When the final card was channeled, the total number was 108 -- a sacred number in many tradi-

tions that reflects the idea of wholeness and completion. **GETTING STARTED:** In the accompanying booklet we offer more information, the text and commentary for each card, and several recommended spreads to help you get started.
