Create Monster Slime with googly eyes, prepare for an eruption with Volcanic Slime, tuck in to some yummy edible chocolate slime and see the rainbow with

unicorn slime! All projects in The Slime Book are shown with clear step-by-step images and a vibrant final image of the slimy stuff.

Some recipes come with ideas for variations on the slime you can make and some recipes explain the science behind that particular slime. My only advice would be to divide the recipes. The slimes they produce are huge!
