The Statistical Probability of Love at First Sight Review

**The Statistical Probability Of Love
The Statistical Probability of Love at First Sight on ...**

Honestly, for having a name like The Statistical Probability of Love at First Sight and a synopsis promising a British boy named Oliver, this book is pretty damn disappointing. Although it does deliver on the British boy front (who, frankly, really isn't even that great), it doesn't deliver much else. SPLFS starts off with Hadley Sullivan missing her flight to London at JFK.

The Statistical Probability Of Love

Honestly, for having a name like The Statistical Probability of Love at First Sight and a synopsis promising a British boy named Oliver, this book is pretty damn disappointing. Although it does deliver on the British boy front (who, frankly, really isn't even that great), it doesn't deliver much else. SPLFS starts off with Hadley Sullivan miss-

ing her flight to London at JFK.

The Statistical Probability of Love at First Sight by ...

Theoretically I love the title of this book, but boy is it annoying to type out. I'm severely behind the game when it comes to this book. Released in 2012, The Statistical Probability of Love at First Sight has received much hype and fanfare. And because of this, I've had this book on my TBR list for years.

The Statistical Probability of Love at First Sight by ...

I picked up *The Statistical Probability of Love at First Sight* because with a title like that I figured it must be geek-friendly. It turns out that it's not very geeky, but it's a cute YA that is entertaining and sweet. *Statistical* is told from the point of view of the heroine, Hadley, who meets Oliver in an airport. Hadley is seventeen and her parents divorced fairly recently (about a year ...
