### V55S2Z - GRIFFITH NATALIE

Christopher Schaberg is the author of *The End of Airports* (3.33 avg rating, 27 ratings, 5 reviews, published 2015), *The Textual Life of Airports* (4.00 av...

The textual life of airports : reading the culture of flight. [Christopher Schaberg] -- From the earliest airfields to the post-9/11 turn, this text investigates how airports figure in the American cultural imagination.

In *The Textual Life of Airports: Reading the Culture of Flight*, author Christopher Schaberg takes the term "airport reading" to a whole new nuanced level. He explores an incredible range of "texts"--from a Fitzgerald novel to a series of modern art installments--and makes his own interpretations as to the ways in which we experience, talk about, and understand air travel.

In a play on the double meaning of airport-reading both as the undemanding reading that helps pass time in airports and as the reading of airports themselves The textual life of airports sets out to explore its subject in terms of the co-shapings, enfoldings and complicities of site and text. Schaberg sees such airport readings as constituents of a common process, the process through which the cultural legibility of airports is established.
