 1. Manage the present. Keep the current business going. 2. Selectively forget the past. Forget what made the business successful in the past. 3. Create the future. Create the new model.

The Three Box Solution

In The Three Box Solution, VG articulates a highly practical framework that helps everyone in the organization to balance the competing activities of running the current business while imagining and building a new one. He s taken this a step further, adding a third, often overlooked, but critical element to his model: escaping the traps of the past by abandoning practices and attitudes no longer relevant in a changed environment.

Three Box Solution: Amazon.co.uk: Vijay Govindarajan ...

With the Three Box Solution, an organization has to balance its activities across all 3 boxes. Box 1 is about competition for the present. Boxes 2 and 3 are about competition for future. It's

the job of every company to create the future while managing the present. No industry can focus strictly on box 1.
