The Transgender Studies Reader | Taylor & Francis Group
Transgender studies is the latest area of academic inquiry to grow out of the exciting nexus of queer theory, feminist studies, and the history of sexuality. Because transpeople challenge our most fundamental assumptions about the relationship between bodies, desire, and identity, the field is both fascinating and contentious.

The Transgender Studies Reader by Susan Stryker
The Transgender Studies Reader 2 gathers these disparate strands of scholarship, and collects them into a format that makes sense for teaching and research. Complementing the first

volume, rather than competing with it, The Transgender Studies Reader 2 consists of fifty articles, with a general introduction by the editors, explanatory head notes for each essay, and bibliographical suggestions ...

~~Transgender studies—Wikipedia~~

Over the past two decades, transgender studies has become fertile ground for new approaches to cultural analysis. TSQ: Transgender Studies Quarterly offers a high-profile venue for innovative research and scholarship that contest the objectification, pathologization, and exoticization of transgender lives. It publishes interdisciplinary work that explores the diversity of gender, sex, sexuality, embodiment, and identity in ways that have not been adequately addressed by feminist and queer ...

~~The transgender studies reader (Book, 2006) [WorldCat.org]~~

Gender identity haunts every aspect of our lives, dictating the outcomes of our conversations, our workplaces, our relationships – even our bath products. Before most infants are named, they are assigned a sex based on the appearance of their external genitalia by a third party. These decisions are dolled out in a typically binary fashion, with no expectations for ambiguity.

The Transgender Studies Reader 2 gathers these disparate strands of scholarship, and collects them into a format that makes sense for teaching and research.
