Comprehending as capably as harmony even more than new will give each success. next to, the notice as competently as sharpness of this The Unintended Reformation How A Religious Revolution Secularized Society can be taken as competently as picked to act.

## VWMYYU - LOPEZ MORSE

Exhaustively documented, and in some ways just exhausting, though at the same time exhilarating, Brad Gregory's *The Unintended Reformation* is a towering achievement. It synthesizes centuries of history and multiple avenues of thought to analyze how we arrived at certain negative aspects of modernity. Gregory's claim is that we got here as the result of the unintended consequences of choices made in response to "major, perceived human problems."

The Unintended Reformation is unquestionably the most important contribution to the way we understand our present condition since Charles Taylor's *A Secular Age*. But it is also as a stinging rebuke to all those well-nigh fictitious accounts of the emergence of the enlightened West out of the intellectual darkness and decrepitude of the Middle Ages that now distort our collective self-perception.

An in-depth study giving a detailed timeline of the Unintended consequences of the Reformation across the globe. With many and varied coverage of subjects such as 16th Century wars with France, Controlling the Churches, The Enlightenment and the catapulting of scientific investigation and discovery The Industrial Revolution World wars and their consequences thereafter it makes for a fascinating study

*The Unintended Reformation: How a Religious Revolution ...*

In a work that is as much about the present as the past, Brad S. Gregory identifies the unintended consequences of the Protestant Reformation and traces the way it shaped the modern condition over the course of the following five centuries. A hyperpluralism of religious and secular beliefs, an absence of any substantive common good, the triumph of capitalism and its driver, consumerism—all these, Gregory argues, were long-term effects of a movement that marked the end of more than a ...

The Unintended Reformation is ostensibly about some long-term effects, extending into our own day, of the 16th-century religious revolution misleadingly called the Protestant Reformation (misleading since a reformation implies an improvement, a value judgment Gregory means to call into question). Gregory, who teaches European history at Notre Dame, looks around him in modern America and sees a lot of things he doesn't like: political polarization, mindless destruction of the environment ...

*Claremont Review of Books -- Conscience Unbound -- A ...*

What is bold and unusual about *The Unintended Reformation* is that it comes from an explicitly Christian perspective and ends by arguing that only religion—properly understood as a doctrine of solidarity—can allow humanity to escape from the predicament of the modern, the material curse of poverty and the mental afflictions of prosperity. Gregory not only offers what is today a highly original combination of history and morality but also cogently explains why that combination is needed today.

*The Unintended Reformation — Brad S. Gregory | Harvard ...*

Exhaustively documented, and in some ways just exhausting, though at the same time exhilarating, Brad Gregory's *"The Unintended Reformation"* is a towering achievement. It synthesizes centuries of history and multiple avenues of thought to analyze how we arrived at certain negative aspects of modernity.

*The Unintended Reformation: How a Religious Revolution Secularized Society*. This is a very unexpected book. Brad Gregory's first book, *Salvation at Stake: Christian Martyrdom in Early Modern Europe*, was much admired: a detailed, scholarly work that stayed fairly firmly in the 16th century. The Unintended Reformation, by contrast, ranges over six centuries and tackles almost everything that is wrong with our world today, from moral relativism to climate change and political strife.

9780674088054: *The Unintended Reformation: How a Religious ...*

Brad Gregory's *The Unintended Reformation: How A Religious Revolution Secularized Society* (2012) is a book whose aspirations dovetail with the aims of the *Journal of Medieval and Early Modern Studies*. The journal fosters scholarship that crosses current disciplines and their periodization of western history, that is both committed to historical research and attentive to the theoretical models

shaping such research.
